CONSENT ORDER

GRANTING LICENSE RENEWAL UNDER SPECIAL CIRCUMSTANCES

John M. Huff is the duly appointed Director of the Missouri Department of Insurance, Financial Institutions, and Professional Registration. As such, the Director has authority for the supervision, regulation, discipline and licensing of bail bond agents pursuant to Missouri's Professional Bail Bondsman and Surety Recovery Agent Licensure Act.

The Consumer Affairs Division of the Department is authorized by the Director to investigate applications for bail bond agent licenses.

On April 2, 2009, the Department received Jackie Redburn's application for renewal of her bail bond agent license. A subsequent investigation revealed that on August 16, 2008 in the Circuit Court of 28th Judicial Circuit Jackie Redburn was charged with 1) Theft/Stealing, 2) Possession of burglary tools, and 3) receiving stolen property.

The Director may refuse to renew a license based upon grounds which demonstrate a lack of competence or trustworthiness. The Consumer Affairs Division has spoken to Redburn

about whether the activities which led to her arrest and prosecution might constitute grounds for denial. There is no doubt that a felony conviction on any one of the charges against Redburn would remove the Director's discretion and mandate the denial of Redburn's Bail Bond license pursuant to Section 374.755.1(2), RSMo (Cum. Supp. 2008) and Missouri's Supreme Court Rule 33.17.

In order to avoid delay, pending resolution of his criminal charges, Redburn has agreed to enter into, and abide by the mutually agreeable terms of, this consent order. Both Redburn and the Department agree that if Redburn were to receive a felony conviction she would automatically be disqualified to be a bail bond agent in the state of Missouri. Therefore, the terms set forth in this Consent Order are an appropriate disposition of this matter and entry of this order is in the public interest.

The Director is authorized to issue this Consent Order pursuant to sections 374.046 and 374.755 RSMo (Cum Supp. 2008.) The Director, is authorized to enforce this consent order and may initiate any action to do so authorized by law.

IT IS THEREFORE ORDERED THAT the renewal of Jackie Redburn's bail bond agent license is hereby approved subject to mutual agreement upon each of the following mandatory conditions:

1. If Redburn enters a plea of guilty or nolo contendere, or is found guilty for a felony or a crime involving moral turpitude, Redburn must surrender her license to the Consumer Affairs Division within five (5) business days of the court's docket entry to that effect.

2. If Redburn is convicted of any charge listed herein, and elects to appeal that decision to the Missouri Court of Appeals, she must nevertheless surrender her license pending the final outcome of her conviction on appeal.

3. Upon the final adjudication of the above referenced charges, Redburn must provide the Consumer Affairs Division with a certified copy of the court's action on each of these charges within 5 business days. Based upon the disposition of the charges, the Consumer

Affairs Division will make a final recommendation to the Director regarding the status of Redburn's license.

4. If, after trial, the court acquits Redburn on every charge, the Director will vacate this Consent Order and remove any of its conditions from Redburn's license. Redburn hereby acknowledges that if the Director were to refuse to renew Redburn's license, she would have the right to file an appeal with the Administrative Hearing Commission. Redburn is aware of that right, and is similarly aware of the length of time such an appeal process would require. In consideration of her options, and her desire to return to work, albeit under the conditions of this consent order, Redburn has made clear her preference to enter into this Consent Order, as signified by her signature.

By signing this Consent Order each signatory certifies that he or she is fully authorized to do so and that each signatory has read, understood, and agreed to the terms, conditions, and requirements of the Consent Order in their entirety.
