I am surrendering my bail bond license .I was elected mayor of Mtn. Grove Mo. In April of 2009, when I decided To run for mayor in Nov. of 2008 I called my boss Jan Bean and told him I was going to run for mayor the election would be in April if I won the election I would Have to give up bail bonding because you can not be a mayor and write bonds it is illegal. When I got elected in April I called Jan told him I resigned And turned in all my Power of attorneys and paper work. At that time I had no one to work for no power of attorneys no paper work I Could not have written a bond if I wanted to I was just going to let my license expire . My view if you don't have a company to write for or no power of attorneys you are Really no bondsman.I have not written a bond since I was Sworn in as mayor.

Thank you
