RESCINDED AND INOPERATIVE

The only retrospective rating plans approved for use on the Missouri Workers Compensation Policy are those filed by the National Council on Compensation Insurance (NCCI). These plans shall not be modified by "consent-to-rate" methods; Consent-to-rate is not approved for Workers Compensation.

Regulation 20 CSR 500-6.100 prohibits the writing of group Workers Compensation.

The Department has not approved any voluntary compensation (accident) forms. The approved policy for writing Workers Compensation in Missouri is that filed by the NCCI.
