## RETALIATORY COMPARISON (375.916 RSMo)

The retaliatory portion of the Missouri tax return compares the aggregate burden which would be placed upon your company by the State of Missouri to the aggregate burden which would be placed by your state of incorporation upon a hypothetical Missouri company writing the same amount of premium that your company is writing in Missouri.
The Agent information on line 4 should agree with your company's Insurance Producers Report form, which was due on or before February 10, 2019. Please show the fees charged by your state of incorporation for appointments, terminations and renewals. Additional lines are provided if different rates are charged for resident and non-resident agents.

Please include in the State of Incorporation column ALL taxes, fees, and assessments which a Missouri company operating in your state of incorporation would have been subject to during the 2018 calendar year. Include with the return a copy of the assessments, invoices, or tax documents along with the calculations based off of your Missouri premium amount.

The Annual Renewal Fee for 2018 was due July 1, 2018. The Annual Renewal Fee amount for Foreign Life Companies has been preprinted on line 1 in the Missouri column.

## CREDITS FOR GUARANTY ASSOCIATION ASSESSMENTS (376.745.1 RSMo)

You must include copies of your certificates of contribution for guaranty association credit. Please list credits under appropriate year and type; do not combine assessments.

## REPORT OF FLEXIBLE PAYMENT DEFERRED ANNUITIES UNDER REGULATION 20 CSR 200-3.010

The 1986 Missouri Legislature amended Section 148.390 RSMo to exempt all annuities written and renewals collected after January 1, 1987, from Missouri premium tax.

However, companies that have deferred payment of tax on flexible payment deferred annuities under Regulation 20 CSR 200-3.010 prior to January 1, 1987, will still be required to pay the tax on amounts in the FPDA account until the account has been reduced to zero. DO NOT ADD ADDITIONAL ANNUITY PREMIUMS TO THIS ACCOUNT BUT DO CONTINUE TO ADD DIVIDENDS AND INTERESTS EARNED TO THESE AMOUNTS IN THE "FROZEN" ACCOUNT.

If you wish to pay tax on the entire account balance, please state that this is your intention and report the entire account balance on line $1 e$.

Show NONE if you did not utilize Regulation 20 CSR 200-3.010.

* These amounts should be included on line 1e of the 2018 tax return.
a This amount should be shown on line 2 h as annuity deferred.
b These amounts should be shown on line 2 i as returned annuity premium.

## NOTE

1. Interest and dividends earned on flexible payment deferred annuity account balance as of December 31, 2017 for calendar year 2018.
2. Cash surrender values returned during 2018. (Funds upon which interest and dividends were added and administrative costs charged.).
3. Returned flexible payment deferred annuity premium returned during 2018. (Funds upon which no interest or dividends were added and no administrative charges made. Usually held by company for short time period.).

THIS REPORT PERTAINS ONLY TO YOUR MISSOURI FLEXIBLE PAYMENT DEFERRED ANNUITIES FOR WHICH YOU HAVE ELECTED TO USE REGULATION 20 CSR 200-3.010 TO DELAY PAYMENT OF PREMIUM TAX ON THE ACCOUNT AS OF DECEMBER 31, 1986, AND UPDATED THROUGH DECEMBER 31, 2018.

Report all annuities received by your company during 2018, including flexible premium deferred annuities, on line 1 b of your premium tax return. Revisions of section 148.390 RSMo exempts all annuities written and all renewals collected after January 1, 1987, from Missouri premium tax. Deduct these amounts on line 2 g of the Missouri tax return.

If you have any questions, call the Missouri Department of Insurance, Financial Institutions and Professional Registration at 573-526-4986 or 573-751-1929.

Section 148.390 RSMo allows health benefits paid "for the benefit of some or all of the employees of one or more employers or for the benefit of the members of a union or unions, whether or not such benefits are payable through a trustee" to be deducted from the gross amount of premiums received on those policies. This deduction does not include all group business. Only lines 1,2 and 3 above will be considered for benefit deductions.

1) Employer groups - the master policy is issued to the employer and the coverage extends to employees of that employer or employees of recognized subsidiaries of the employer.
2) Union groups - the master policy is issued to the Union Board of Directors or a designated trustee. Coverage extends to duespaying members of the trade or labor union.
3) Multiple Employers Trusts - the group exists under a trust agreement. The trustee holds the master policy and certificates of coverage are issued to employees of small employers. Usually the employer will be a business with five (5) or less employees. Such trusts may have numerous small businesses participating in the insurance plan.
4) Association groups - this group consists of dues - paying members of a recognized association. The association has by-laws and exists for reasons other than obtaining insurance.
5) Fictitious group trusts - this group has no real nexus and is used only for the purpose of obtaining or distributing insurance. The master policy is issued to a trustee pursuant to a contract with the underwriting insurer. Certificates are then issued to any individual who applies to the trust for insurance.
6) Blanket groups - a blanket policy is issued to a single policyholder. The policy insures all individuals meeting the eligibility requirements set out in the policy. The insurer may not receive a name list of insureds. The group consists only of the class subject to the hazard insured against in the policy (i.e. student accident, sports teams, scout troops).

Not all policies reported on line 24 of the annual statement Missouri page 24 have benefits paid that are eligible under section 148.390 RSMo. Only benefits payments "on policies or contracts providing health insurance benefits for the benefit of some or all of the employees of one or more employers or for the benefit of the members of a union or unions" are eligible for section 148.390 credit. For example, benefits paid under credit disability and disability income (benefit payments are not health insurance benefits) are not eligible for section 148.390 credit.
A COPY OF YOUR SUPPLEMENT TO MO PAGE 24 MUST BE ATTACHED IN ORDER TO ALLOW THIS DEDUCTION.
