It is hereby stipulated and agreed by the Division of Insurance Market Regulation (hereinafter "the Division"), Coventry Health and Life Insurance Company (NAIC #81973) (hereinafter "Coventry Health and Life"), Coventry Health Care of Missouri, Inc. (NAIC #96377) (hereinafter "Coventry Health Care of Missouri"), and Coventry Health Care of Kansas, Inc. (NAIC #95489) (hereinafter "Coventry Health Care of Kansas") (hereinafter referred to collectively as "Coventry") as follows:

WHEREAS, the Division is a unit of the Missouri Department of Insurance, Financial Institutions and Professional Registration (hereinafter, "the Department"), an agency of the State of Missouri, created and established for administering and enforcing all laws in relation to insurance companies doing business in the State in Missouri.

WHEREAS, Coventry has been granted certificates of authority to transact the business of insurance in the State of Missouri;

WHEREAS, an Investigation conducted by the Division revealed that Coventry Health and Life failed to provide 90 days written notice before discontinuing health benefit plans as required by Missouri law;

WHEREAS, an Investigation conducted by the Division also revealed that Coventry Health and Life and Coventry Health Care of Missouri issued group health benefit plans that

WHEREAS, an Investigation conducted by the Division also revealed that Coventry Health and Life and Coventry Health Care of Missouri issued some group health benefit plans where cost-sharing amounts for mental health services were not equivalent to cost-sharing amounts for other non-mental health services covered under the plan; and

WHEREAS, the Division and Coventry have agreed to resolve the pending issues upon the following terms:

A. Scope of Agreement. This Stipulation of Settlement (hereinafter "Stipulation") embodies the entire agreement and understanding of the signatories with respect to the subject matter contained herein. The signatories hereby declare and represent that no promise, inducement or agreement not herein expressed has been made, and acknowledge that the terms and conditions of this agreement are contractual and not a mere recital.

B. Remedial Action. Coventry agrees to take remedial action bringing it into compliance with the statutes and regulations of Missouri and agrees to maintain such remedial actions at all times. Such remedial actions shall include, but not be limited to, the following:

1. Coventry Health and Life shall review its policies, certificates, schedules, amendments, or riders to ensure that all cost-sharing amounts imposed for mental health services are on par with cost-sharing amounts imposed for other medical services in accordance with §376.1550 .
 - a. In the event that errors are identified, Coventry Health and Life shall re-adjudicate and pay any claims for mental health services that had improper cost-sharing amounts imposed. Restitution made to consumers shall include interest to be paid pursuant to §374.191.
2. Coventry Health and Life shall certify that all current coverage issued in Missouri includes mental health coverage as required by §376.1550.
3. Coventry Health and Life shall certify that it complies with §376.454 when discontinuing a plan, and shall provide 90 days written notice before discontinuing any plan.

4. Coventry Health and Life shall ensure that any and all communications to consumers regarding the discontinuation of plans include the date the communication is sent or distributed.

C. Compliance. Coventry agrees to file documentation with the Division within 180 days of the entry of a final order of all remedial action taken to implement compliance with the terms of this Stipulation. Such documentation is provided pursuant to §374.190.

D. Waivers. Coventry, after being advised by legal counsel, does hereby voluntarily and knowingly waive any and all rights for procedural requirements, including notice and an opportunity for a hearing, and for review or appeal by any trial court of appellate court, which may have otherwise applied to Investigation No. 235586.

E. Changes. No changes to this Stipulation shall be effective unless made in writing and agreed to by representatives of the Division and Coventry.

F. Governing Law. This Stipulation shall be governed and construed in accordance with the laws of the State of Missouri.

G. Authority. The signatories below represent, acknowledge and warrant that they are authorized to sign this Stipulation, on behalf of the Division and Coventry respectively.

H. Counterparts. This Stipulation may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute a single document.
