## **Motorcycle and Miscellaneous Vehicle Endorsement - PDU6-1**

---

It is agreed that the insurance afforded under this policy is amended as follows:

- A. Under General Provisions, the **Conditional Reinstatement** provision is replaced by the following:

If **we** mail a cancellation notice because **you** didn't pay the required premium when due, **your** policy will terminate on the date and time shown on the cancellation notice. If **you** tender payment by check, draft, or other remittance after cancellation of the policy, and the check, draft, or other remittance is honored, **your** policy will reinstate, with a lapse in coverage, on the date such payment is accepted by **Allstate**. This means that **Allstate** will not be liable under this policy for claims or damages that occur after the date and time indicated on the cancellation notice and before the date and time indicated on the reinstatement notice.

- B. Under Automobile Liability Insurance, and under Protection Against Loss To The Auto, the definition of **"Utility Auto"** is replaced by the following:

**"Utility Auto"**—means an auto with a rated load capacity of 2,000 pounds or less of the pick up body, sedan delivery or panel truck type. Also included are motorcycles, snowmobiles, all terrain vehicles, dune buggies, golfmobiles, and motorized wheelchairs.

- C. Under Uninsured Motorists Insurance, the definition of **"Motor Vehicle"** is replaced by the following:

**"Motor Vehicle"**—means a land motor vehicle or trailer other than

(a) a vehicle or other equipment designed for use principally off public roads while not upon public roads, or

(b) a vehicle when used as a residence or premises.
