1. The nationwide data may be viewed as a more representative and credible indicator where the data for claims reported and denied for your state are small in number.
2. Example—home health care claim filed under a nursing home only policy.
3. Example—a facility that does not meet the minimum level of care requirements or the licensing requirements as outlined in the policy.
4. Examples—a benefit trigger not met, certification by a licensed health care practitioner not provided, no plan of care.
