Honorable John M. Huff, Director
Missouri Department of Insurance, Financial Institutions
and Professional Registration
301 West High Street, Room 530
Jefferson City, Missouri 65101

Director Huff:

In accordance with your financial examination warrant, a full scope association financial examination has been made of the records, affairs and financial condition of

American Financial Security Life Insurance Company

hereinafter referred to as such, AFSLIC or as the Company. Its administrative office is located at 55 NE 5th Avenue, Suite 502, Boca Raton, Florida, 33432, telephone number (561) 756-8130. This examination began on January 15, 2015 and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The Missouri Department of Insurance, Financial Institutions and Professional Registration (DIFP) has performed a full scope financial examination of American Financial Security Life Insurance Company. AFSLIC was last examined by the DIFP as of December 31, 2011. The current full scope examination covers the period of January 1, 2012 through December 31, 2014.

This examination also included the material transactions or events occurring subsequent to December 31, 2014.

Procedures

This examination was conducted in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook (Handbook), except where practices, procedures and applicable regulations of the DIFP and statutes of the State of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company and evaluate system controls and procedures used to mitigate those risks. The Handbook further requires that the examination include identifying and evaluating significant risks that could cause the Company's surplus to be materially misstated both currently and prospectively. All accounts and activities of the Company were considered in accordance with

the risk-focused examination approach. This includes assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles.

This examination did not attest to the fair presentation of the financial statements included herein. If, during the course of this examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements. This examination report includes findings of facts and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

Reliance Upon Others

The examination relied upon information provided by the Company and its management. Where deemed appropriate, this information has been tested or verified with external sources. The examination also relied upon information supplied by the Company's independent auditor, MarksNelson, LLC of Kansas City, Missouri for its audits covering the period from January 1, 2014 through December 31, 2014.

SUMMARY OF SIGNIFICANT FINDINGS

Article III of the Company's Bylaws requires a minimum of nine members and a maximum of ten members to serve on the Company's Board of Directors. Also, Missouri Law at Chapter 376.060 (5) (Stock companies – content of charter) requires that the Board of Directors of stock companies shall not be less than nine or more than twenty-one. As of December 31, 2014, only eight members were elected and serving on the Board.

The Company amended Article III of its Bylaws to require that Board members shall have business acumen and experience in the field of insurance. However, the examination noted two Board members whose experience and background does not include such experience, and thus, falls short of the requirement.

SUBSEQUENT EVENTS

Effective January 1, 2015, the Company has determined to discontinue offering the limited medical benefit product, which has been its primary product offering since it resumed insurance operations in 2007. This decision was predicated on the Company's determination that the product was incompatible with the provisions of the Affordable Care Act. In place of the limited medical benefit product, the Company has identified other medical insurance products that now constitute its plan of operation prospectively. See the Territory and Plan of Operation section of this report for additional details on the Company's new business plan and product offering.

COMPANY HISTORY

General

The Company was incorporated on January 25, 1957 and commenced business on July 23, 1957 under the name of Survivor's Benefit Insurance Company. On December 1, 1981, the name was

changed to Penn Diversified Insurance and Annuity Company and on May 17, 1989, the name was changed to its current name of American Financial Security Life Insurance Company. The Company was placed in court ordered rehabilitation on March 30, 1993, where it remained until the order was terminated and the Company was placed in administrative supervision on November 6, 2002.

The Company was purchased out of rehabilitation by American Financial Security Holdings, Inc. (AFSH) and became a Missouri domestic pursuant to a Form A Registration Statement that was approved by the DIFP on July 21, 2008. AFSH is a Delaware domiciled holding company that is one hundred percent owned by Carol and Michael Sonnenberg, the ultimate controlling persons. The Company currently operates as a stock life insurance company, in accordance with the provisions of Chapter 376, Revised Statutes of Missouri (RSMo) (Life and Accident Insurance).

Capital Contribution

Cash capital contributions from AFSH in the amounts of \$1,220,000, \$125,000 and \$1,000,000 were received by AFSLIC in 2012, 2013 and 2014, respectively.

Dividends

There were no dividends declared or paid during the period under examination.

Mergers and Acquisitions

The Company was not the subject of an acquisition or merger during the period under examination.

CORPORATE RECORDS

The Company's Articles of Incorporation and Bylaws were reviewed for any changes during the period under examination. During this examination period, the Articles of Incorporation were amended and restated effective January 11, 2012. The significant change by this amendment was to Article VI which now stipulates a paid-in capital and minimum surplus of \$3,500,000, consisting of \$1,500,000 of paid-in capital and \$2,000,000 of surplus.

The Bylaws were amended and restated effective September 1, 2013 to prescribe the term of office and qualification of Board members.

The minutes of the Board of Directors' meetings and the shareholder's meetings were reviewed for proper approval of corporate transactions. In general, the minutes properly reflect and approve the Company's major transactions and events for the period under examination.

MANAGEMENT AND CONTROL

Board of Directors

The management of AFSLIC is vested in a Board of Directors that is elected by the shareholder. The Bylaws specify that the number of Board of Directors shall be not less than nine (9) and no more than ten (10). Also, Missouri Law at Chapter 376.060 (5) (Stock companies – content of charter) requires that the Board of Directors of stock companies shall not be less than nine or more than twenty-one. However, as of December 31, 2014, only eight members were elected and serving on the Board. The Board members appointed and serving as of December 31, 2014 were as follows:

<u>Name</u>	<u>Address</u>	<u>Principal Occupation and Business Affiliation</u>
Michael H. Sonnenberg	Garden City, NY	Treasurer, AFSLIC
Michael E. Green	Apopka, FL	Automotive Service Technician Mullinax Ford of Apopka
Michael Camilleri	Boca Raton, FL	President and CEO, AFSLIC
Melinda E. Green	Boca Raton, FL	Secretary, AFSLIC and Self-Employed Paralegal

Eric P. Serna	Santa Fe, NM	President, Global Financial Strategies, LLC
Carol J. Sonnenberg	New York, NY	Owner, American Financial Security Holding, Inc.
James M. Pickens	Little Rock, AR	Attorney/President, Mike Pickens Law Firm

The appropriate qualification of Directors was an issue noted in the prior financial examination of the Company as of December 31, 2011. In response to the comment, the Company amended Article III of its Bylaws to require Directors to have business acumen and experience in the field of insurance. However, the current examination noted two Board members, Michael Green and Melinda Green, who do not appear to have experience or background in the field of insurance.

Committees

Article III, Section II of the amended Bylaws grants the Board of Directors authority to establish one or more Committees. As of December 31, 2014 no Committees have been established.

Officers

The officers elected and serving as of December 31, 2014 were as follows:

Michael H. Sonnenberg	Treasurer
Michael Camilleri	President and Chief Executive Officer
John S. Maloney	Chief Financial Officer
Melinda E. Green	Secretary

TERRITORY AND PLAN OF OPERATION

As of December 31, 2014, AFSLIC was licensed to transact the business of insurance in twenty-three states, an increase of four additional licenses since the last examination. The Company currently has applications for licensure in two additional states.

During the current examination period, the Company's plan of operation focused on marketing its Limited Medical Benefit (LMB) product, utilizing its appointed agents and agencies, and managing employer stop loss policies assumed from another insurer. As a result of continuing changes in the healthcare regulatory environment, the Company determined that LMB may not be consistent with the provisions of the Affordable Care Act. Consequently, effective December 31, 2014, the Company discontinued issuing new LMB policies.

In place of LMB, the Company has developed a new business plan and product offering beginning in 2015. The new business plan and the related plan of operation include, but are not limited, to the following:

- Run-off existing business from the current LMB book of business
- Continuation of the employer stop loss assumed reinsurance program
- Develop and offer ancillary products, to include accidental death and dismemberment (AD&D), critical illness, short-term medical, and accident medical expense products.
- Obtain additional state licenses and ancillary product approvals.
- Enter into partnership with LifeShield National Insurance Company (LifeShield) in 2015. AFSLIC intends to write an AD&D product on its paper if it is licensed in a particular state or on LifeShield's paper if not licensed.
- The new products will be written on an individual and group basis. Target customers are defined as (1) retired employees; (2) self-employed individuals between 40 to 60 years of age and earning between \$40,000 to \$60,000 per year; (3) individuals who work for an employer who does not offer healthcare benefits and find coverage in the marketplace to be unaffordable; (4) individuals who have purchased major medical coverage and want supplemental coverage.

AFSLIC has appointed two General Agents (GAs) to market its products. Call centers are utilized to make contact with potential insureds. In combination, the two GAs have appointed 171 sub-agents and made arrangement with six call centers to market AFSLIC products. The Company has also contracted with an affiliate third-party administrator to process its claims and perform other claims handling functions.

REINSURANCE**General**

The Company's premium activity on a direct written, assumed and ceded basis, for the period under examination, is detailed below:

<u>Description</u>	<u>2014</u>	<u>2013</u>	<u>2012</u>
Direct	\$ 2,495,964	\$ 2,095,487	\$ 314,475

Ceded	0	0	0
Net Premiums Written	<u>\$ 4,057,985</u>	<u>\$ 2,536,007</u>	<u>\$ 314,475</u>

Assumed

Beginning February 1, 2013, AFSLIC entered into a quota share stop loss reinsurance agreement with U.S. Fire Insurance Company and The North River Insurance Company (reinsureds), both unrelated parties to AFSLIC. The agreement is for new and renewal business underwritten by the reinsureds, with Xchange Benefits, LLC acting as the broker-intermediary. Under the agreement, AFSLIC accepts a 70% quota share of the reinsureds' gross liability not to exceed \$1 million per person per policy year. AFSLIC also accepts 70% quota share of the reinsureds' gross liability of the Aggregate Medical Excess Loss Policies up to \$1 million in the aggregate on any one policy, per policy year, in excess of the aggregate self-insured retention.

AFSLIC allows a maximum 32.5% ceding commission per agreement year of gross written premium. In the first agreement year, 50% of the net ceded premium will be placed in an interest-bearing claim fund until it reaches \$500,000. If ceded paid claims exceed net ceded premium and the claim fund is exhausted in excess of \$25,000, AFSLIC will be required to reimburse the reinsured for such amounts within five business days.

Ceded

The Company did not cede any business during the period under examination.
