SUPERVISION17

Jersey City, New Jersey
March 22, 2016

Honorable John M. Huff, Director
Missouri Department of Insurance, Financial
Institutions and Professional Registration
301 West High Street, Room 530
Jefferson City, Missouri 65101

Director Huff:

In accordance with your financial examination warrant, a full scope financial examination has been made of the records, affairs and financial condition of

Arch Indemnity Insurance Company

hereinafter referred to as such, as AIIC, or as the Company. Its primary office is located at 300 Plaza Three, 3rd Floor, Jersey City, New Jersey, 07311, telephone number (201) 743-4000. This examination began on April 20, 2015 and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The Missouri Department of Insurance, Financial Institutions and Professional Registration (DIFP) has performed a full scope financial examination of Arch Indemnity Insurance Company. The previous examination of AIIC was completed as of December 31, 2011. This examination covers the period of January 1, 2012 through December 31, 2014. This examination also included material transactions or events occurring subsequent to December 31, 2014.

This examination was performed concurrently with the Missouri DIFP examinations of Arch Insurance Company (AIC), Arch Excess & Surplus Insurance Company (AESIC), and Arch Specialty Insurance Company (ASIC).

Procedures

We conducted our examination in accordance with the National Association of Insurance Commissioners' (NAIC) Financial Condition Examiners Handbook (Handbook) except where practices, procedures and applicable regulations of the DIFP and statutes of the State of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company and evaluate system controls and procedures used to mitigate those risks. An

examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

The examination report includes significant findings of fact and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature, are not included within the examination report but separately communicated to other regulators and/or the Company.

Reliance Upon Others

The examiners relied upon information and workpapers provided by the Company's independent auditor, PricewaterhouseCoopers LLP (PwC) of New York, New York, for its audit covering the period from January 1, 2014 through December 31, 2014. Such reliance included, but was not limited to, fraud risk analysis, adjusting journal entry testing, internal control narratives, test of internal controls, and substantive testing.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues or material changes to the financial statements noted during the examination.

SUBSEQUENT EVENTS

A change in ownership of AIIC's indirect owner (Arch Insurance Company) occurred on December 15, 2015, when Arch Insurance Group, Inc. (AIGI) issued a stock dividend to Arch Reinsurance Company (ArchReCo), granting ArchReCo 100% of its stock ownership in AIC. There was no monetary effect on AIC as result of this dividend, and AIC's ultimate controlling entity (Arch Capital Group, Ltd., or ACGL) remained the same. The change had no impact on operations, management, or the directors/officers of AIC or its subsidiaries.

COMPANY HISTORY

General

Arch Indemnity Insurance Company (originally known as Western Diversified Casualty Insurance Company) was incorporated on August 10, 1987, as a stock casualty insurance company, and was granted authority pursuant to the provisions of Illinois Law to write insurance.

The Company began writing contractual liability and mechanical breakdown business on August 28, 1987. Effective December 21, 1989 the Company merged with Commercial Mortgage Insurance, Inc. and redomesticated to Wisconsin. On September 30, 1997 Protective Life Insurance Company acquired the Western Diversified group; and on June 23, 2003 Arch Capital Group, Ltd. purchased the Company from Protective Life and contributed it to Arch Insurance Group, Inc. Effective December 31, 2004 AIGI contributed AIIC to Arch Insurance Company. On December 18, 2006 AIIC redomesticated to Nebraska as an excess and surplus lines insurance company. On May 14, 2008 the Company changed its name to Arch Indemnity Insurance Company. Effective December 15, 2011 AIC contributed the Company to Arch Excess & Surplus Insurance Company. AIIC redomiciled to the State of Missouri effective September 30, 2014.

Dividends

No dividends were declared or paid by AIIC during the examination period.

Capital Contributions

AIIC received capital contributions during 2012 and 2013 in the amounts of \$15,153 and \$144,566, respectively. In 2014, the Company returned \$30,413 of the 2013 contributions due to an adjustment related to tax benefits on employee stocks and options.

Mergers and Acquisitions

On January 30, 2014, Arch U.S. MI Holdings (the U.S. based subsidiary of ACGL) acquired CMG Mortgage Insurance Company (CMG MI) from CUNA Mutual Group and PMI Mortgage Insurance Co. The acquisition of CMG MI and the operating platform will form the foundation for Arch Mortgage Insurance Company to offer mortgage insurance throughout the United States. The acquisition had no impact on operations, management, or the directors/officers of AIC or its subsidiaries.

CORPORATE RECORDS

AIIC's Articles of Incorporation and Bylaws were reviewed for any changes or updates during the period under examination. As a result of the redomestication from Nebraska to Missouri, both the Articles and the Bylaws were amended during 2014 to comply with Missouri statutes and regulations.

MANAGEMENT AND CONTROL

Board of Directors

The Company's Articles of Incorporation specify that the Board of Directors (Board) shall consist of between nine and twenty-five members. This complies with 379.035 RSMo (Articles

of Incorporation for Stock Companies). The Directors elected and serving as of December 31, 2014 were as follows:

<u>Name and Address</u>	<u>Business Affiliation</u>
David H. McElroy West Simsbury, CT	Chairman and Chief Executive Officer Arch Insurance Company and subsidiaries
Dennis R. Brand Harvard, IL	Senior Executive Vice President and Chief Administrative Officer Arch Insurance Company and subsidiaries
Thomas J. Ahern Ridgewood, NJ	Senior Vice President, Chief Financial Officer, and Treasurer Arch Insurance Company and subsidiaries
Michael D. Price Westfield, NJ	Executive Vice President and Chief Underwriting Officer Arch Insurance Company and subsidiaries
John S. Edack ¹ Oakland, CA	Senior Executive Vice President, Casualty Arch Insurance Company and subsidiaries
Lawrence F. Harr ¹ Omaha, NE	Practicing Attorney Lamson, Dugan and Murray, LLP
Michael R. Murphy Short Hills, NJ	Vice Chairman Arch Insurance Company and subsidiaries
Martin J. Nilsen ¹ Rockville Center, NY	Director Arch Insurance Company and subsidiaries
Marita A. Oliver New York, NY	Senior Vice President, Corporate Underwriting Arch Insurance Company and subsidiaries

Although all but one of the members of AIIC’s Board of Directors as indicated above are employees of ACGL entities, indicating a lack of independence in the Company’s governance, this is not unusual given the ownership structure of AIIC as a subsidiary of a publicly-held corporation. To ascertain independence and prudent corporate governance standards, the examination reviewed the composition of the Board of Directors of ACGL, the ultimate controlling entity of AIIC. ACGL’s current Board of Directors is comprised of eleven directors, two of whom are employees. ACGL’s Board of Directors concluded that the nine non-employee directors are independent as defined under the applicable listing standards of the NASDAQ Stock Market, LLC (NASDAQ). The audit, compensation and nominating committees of the ACGL Board are composed entirely of independent directors.

¹ During the first quarter of 2015, these Board members were replaced by John P. Mentz, Patrick K. Nails, and John A. Rafferty.

Senior Officers

The following officers were elected and serving as of December 31, 2014:

<u>Name</u>	<u>Office</u>
David H. McElroy	Chairman and Chief Executive Officer
John P. Mentz	President
Dennis R. Brand	Senior Executive Vice President and Chief Administrative Officer
David M. Siesko	Senior Executive Vice President
Michael D. Price	Executive Vice President, Chief Underwriting Officer
Thomas J. Ahern	Senior Vice President, Chief Financial Officer, and Treasurer
Patrick K. Nails	Senior Vice President, Secretary, and General Counsel

Principal Committees

Pursuant to AIIC’s Bylaws, the Board of Directors may designate one or more committees comprised solely of members of the Board, each of which shall consist of at least three members. At the June 1, 2011 meeting, the Board appointed members to an Executive Committee and an Investment and Finance Committee. The appointed members of the Investment and Finance Committee as of December 31, 2014 were David H. McElroy, Thomas J. Ahern, Dennis R. Brand, Michael R. Murphy, and Martin J. Nilsen². Although the Executive Committee was inactive during the examination period, its members as of December 31, 2014 were David H. McElroy, Dennis R. Brand, and Michael R. Murphy.

The Company’s Board of Directors designated the ACGL Audit Committee to act as its Audit Committee. As of December 31, 2014, ACGL’s Audit Committee consisted of James J. Meenaghan (Chairman), Yiorgis Lillikas, Brian S. Posner and Robert F. Works. AGCL’s Board determined that all of the Audit Committee members were independent under the applicable standards of NASDAQ and the Securities Exchange Act of 1934 and that Mr. Meenaghan qualifies as an "audit committee financial expert" under the rules of the Securities and Exchange Commission.

Besides the Board committees discussed above, AIIC has established various management committees to provide oversight and guidance. These include the Enterprise Risk Management Committee, the Reserve Review Committee, the Reinsurance Steering Committee, the IT Steering Committee, and the Anti-Fraud Committee.

Holding Company, Subsidiaries and Affiliates

AIIC is a member of an insurance holding company system as defined by Section 382.010 RSMo (Definitions). AIIC is a wholly owned subsidiary of AESIC, which is a wholly owned subsidiary of AIC. As of December 31, 2014, AIC was a wholly owned subsidiary of AIGI, which is ultimately owned by ACGL, a Bermuda-based publicly held limited liability company whose

assets primarily consist of investments in subsidiaries. ACGL provides insurance and reinsurance on a worldwide basis through its wholly owned subsidiaries in Europe, Bermuda, the United States, and Canada.

ACGL is traded on the NASDAQ National Market under the symbol ACGL. Funds associated with Artisan Partners Holdings LP (Artisan) owned 17.9% and 16.7% of the shares of ACGL in 2014 and 2013 respectively. Artisan submitted to the DIFP a disclaimer of affiliation stating the holdings in ACGL are held for investment purposes only. No other stockholder owned 10% or more of ACGL.

TERRITORY AND PLAN OF OPERATION

AIIC is licensed as a property and casualty insurer by the DIFP under Chapter 379 RSMo (Insurance Other than Life). The Company is licensed in all 50 states except for Connecticut and is also licensed in the District of Columbia. However, New York was the only state with direct written premium in 2014.

The Company only wrote workers' compensation business in 2014. The direct parent, AIC, manages operations by various business units that mirror the products that are marketed. The Company participates with AIC in the CNAX (Construction, National Accounts, Alternative Markets, and High Excess Workers' Compensation) business unit. CNAX covers a variety of customer classes, including contactors, manufacturing, retail stores, service industries, restaurant chains, hotels, and financial institutions.
