Net	\$1,918,071	\$1,880,424	\$1,728,659	\$1,600,213	\$1,586,090

Assumed

The agreement pertains to errors and omissions policies and director and officer liability policies written by MMIC. MMIC cedes to the pool 84% of the first \$2,000,000 each claim and in aggregate on all insurance agent and broker errors and omissions policies and 84% of the first \$3,000,000 each claim and in aggregate on all officer and director liability policies. MMIC receives a 35% ceding commission of net written premium ceded to the pool. The Company has a 5% share in the interests and liabilities of the pool.

Ceded

The Company has all of its ceded reinsurance through Grinnell Mutual Reinsurance Company (the reinsurer) under an aggregate excess plan reinsurance agreement.

The aggregate excess section of the agreement covers property risks. Under the aggregate excess section of the agreement, the Company's annual aggregate net retention, or attachment point, is based upon the Company's ten-year average loss ratio, plus a negotiated load, less a debit for the attachment point. The reinsurer is liable for 100% of losses in excess of this retention. The attachment point for 2014 was \$1,383,614.

The contract has a liability quota share section for liability risks. The Company cedes 100% of the liability risks and premium to the reinsurer and receives a 20% commission.

Under the facultative reinsurance section of the agreement, the Company may cede risks to the reinsurer that exceed the individual risk limits outlined in the agreement. Rates are determined by the reinsurer on an individual basis.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that any assuming reinsurer should fail to perform its obligations under its reinsurance agreement with the Company.

ACCOUNTS AND RECORDS

The accounting records are maintained by the Company on an accrual basis. The Company utilizes IMT Computer Services Company software for general ledger, claims reports and policy maintenance.
