8. The Company agrees to develop a process that: (1) requires its network providers to collect copayments from members that do not exceed the 50% limitation set forth in 20 CSR 400-7.100 regardless of the copayment amount shown on the members' identification cards; (2) facilitates providers' ability to calculate and collect correct copayments at the time of service; (3) requires providers to make refunds to members of any copayments erroneously collected in excess of the 50% limitation set forth in 20 CSR 400-7.100 within 30 days of receipt of the Company's remittance advice; and (4) requires a provider audit and corrective action when the

Company receives information that a provider may not be complying with the Company's administrative requirements for compliance with the 50% limitation on copayments set forth in 20 CSR 400-7.100. The Company agrees to submit a written report outlining the details of this process on or before July 1, 2013.

All other provisions of the Stipulation will remain unchanged and continue in full force and effect.
