Ceded

The Company has all of its reinsurance through Wisconsin Reinsurance Corporation (the reinsurer) under a single reinsurance contract for property and casualty risks. The agreement includes per risk excess and aggregate excess of loss coverage for property risks and quota share coverage for casualty risks.

Under the per risk excess of loss coverage, the Company retains \$50,000 per property risk, and the reinsurer's limit is \$450,000 per property risk. Facultative coverage is available on risks exceeding the limit on an individual basis. Under the aggregate excess of loss coverage, the Company's annual aggregate net retention, or attachment point, is equal to 70% of net written premium, and the reinsurer is responsible for 100% of losses in excess of this attachment point. The finalized attachment point for 2014 was \$254,918.

Under the casualty quota share section of the agreement, the Company cedes 100% of the casualty risks and premium to the reinsurer and receives a 25% ceding commission.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that any assuming reinsurer should fail to perform its obligations under its reinsurance agreement with the Company.

There may have been differences found in the course of this examination, which are not shown in the "Notes to the Financial Statements." These differences were determined to be immaterial, concerning their effect on the financial statements.
