## Concerning Ozark Benefit Association Life Insurance Co.

The Cole County (Mo.) Circuit Court will hold a public hearing on **Feb. 18, 2015**, at **1:30 p.m.** to consider the Petition for Liquidation filed by the Director of the Missouri Department of Insurance, Financial Institutions and Professional Registration (DIFP), in his capacity as Rehabilitator of Ozark Benefit Association Life Insurance Co. (OBA).

The Court placed OBA into rehabilitation and appointed the Director as Rehabilitator in April 1996. Since then, the Director has managed OBA's affairs, received premium payments and paid claims. The Director is seeking the Court's authorization to terminate OBA's rehabilitation and liquidate OBA.

The Director seeks a court order that will appoint the Director as Liquidator, terminate insurance contracts, set a claims bar date and distribute the remaining assets to insured individuals. The policies at issue have no cash value and no guaranty association coverage. The Director seeks to distribute assets to policyholders based on how long their policy has been in effect and the face value.

John W. German Funeral Home has committed to honor the face value of about 522 policies it has administered on behalf of OBA by providing a discount off its funeral services. Please call the funeral home if you have a question about a policy it administers: 573-359-1400.

Objections to the Petition for Liquidation must be filed in writing with the Court **and** the Director by **Jan. 30, 2015**:
