	2013	2012	2011	2010	2009
Direct	\$1,013,749	\$ 974,562	\$ 942,540	\$ 937,386	\$ 910,186

Net	\$ 680,831	\$ 639,604	\$ 635,910	\$ 637,482	\$ 570,348

Assumed

The Company does not reinsure other companies.

Ceded

The Company has all of its reinsurance through Grinnell Mutual Reinsurance Company (the reinsurer) under an individual occurrence with aggregate excess of loss plan of reinsurance for property risks.

Under the individual occurrence of loss excess section of the agreement, the Company retains \$100,000 for each loss occurrence. The reinsurer's limits are \$2 million per exposure for farm machinery and equipment storage buildings, and \$1 million per exposure for all other risks

Under the aggregate excess portion of the agreement, the Company's annual aggregate net retention, or attachment point, is based upon the Company's ten-year average loss ratio, plus a negotiated load, less a credit for the individual occurrence of loss premium rate. The reinsurer is liable for 100% of losses in excess of this retention. The attachment point for 2013 was \$435,251.

The contract has a liability quota share section for liability risks. The Company cedes 100% of the liability risks and premium to the reinsurer and receives a 20% ceding commission.

Under the facultative reinsurance portion of the agreement, the Company may cede risks to the reinsurer that exceed the individual risk limits outlined in the agreement. Rates are determined by the reinsurer on an individual basis.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that any assuming reinsurer should fail to perform its obligations under its reinsurance agreement with the company.

ACCOUNTS AND RECORDS

The accounting records are maintained by the Company on an accrual basis. The CPA firm of Harden, Cummins, Moss, and Miller, LLC, performs an annual audit of the Company's financial statements and prepares the Company's Annual Statement and tax filings.

FINANCIAL STATEMENTS

The following financial statements, with supporting exhibits, present the financial condition of the Company for the period ending December 31, 2013, and the results of operations for the year then ended. Any examination adjustments to the amounts reported in the Annual Statement and/or comments regarding such are made in the "Notes to the Financial Statements," which follow the Financial Statements. (The failure of any column of numbers to add to its respective total is due to rounding or truncation).

There may have been differences found in the course of this examination, which are not shown in the "Notes to the Financial Statements." These differences were determined to be immaterial, concerning their effect on the financial statements. Therefore, they were communicated to the Company and noted in the workpapers for each individual annual statement item.
