Director Lindley-Myers:

In accordance with your financial examination warrant, a full-scope financial examination has been made of the records, affairs, and financial condition of

Family Benefit Life Insurance Company (NAIC #70742)

hereinafter referred to as such, as FBLIC, or as the Company. Its administrative office is located at 7633 E. 63rd Place, Suite 230, Tulsa, OK 74133, telephone number 918-249-2438. The fieldwork for this examination began on August 28, 2023, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The Missouri Department of Commerce and Insurance (Department) has performed a multiplestate financial examination of Family Benefit Life Insurance Company. The last examination of the Company by the Department covered the period of January 1, 2014, through December 31, 2017. The current examination covers the period of January 1, 2018, through December 31, 2022, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

Procedures

We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook* (*Handbook*), except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The *Handbook* requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company's surplus to be materially misstated, both on a current and prospective basis.

This examination also included a review of significant estimates made by management and evaluation of management's compliance with Statutory Accounting Principles (SAPs). The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination, an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. Those activities considered in the examination as key to FBLIC included Capital and Surplus, Investments, Reinsurance, Related Party Transactions, Underwriting, and Claims Handling/Reserves. The examination also included a review and evaluation of information technology general controls.

This examination was coordinated with the Oklahoma Insurance Department's (OID) financial examination of the Gregg E. Zahn Group (Group). The Group consists of insurance companies Trinity Life Insurance Company (TLIC), Texas Republic Life Insurance Company (TRLIC), and FBLIC, as well as other non-insurance entities, all within the First Trinity Financial Corporation (FTFC) holding company. TLIC and TRLIC are domiciled in Oklahoma and Texas, respectively. The OID acted as lead state and examination facilitator for the examination, with regulators from Texas and Missouri participating.

This examination report includes significant findings of fact, as mentioned in section 374.205, of the Revised Statutes of Missouri (RSMo) (Examination, director may conduct, when...) and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues, or material changes to the financial statements noted during the examination.

COMPANY HISTORY

<u>General</u>

On April 13, 2022, the Company declared a \$3,200,000 dividend (\$1,495,631 was ordinary and \$1,704,369 was extraordinary), which was paid to TLIC on May 25, 2022. No dividends were paid in 2019, 2020, or 2021.

In 2019, FBLIC received three capital contributions from TLIC totaling \$3.800.000 that were paid as follows: \$1,000,000 on June 30, 2019, \$1,000,000 on September 30, 2019, and \$1,800,000 on December 16, 2019. Assumed Reinsurance

FBLIC is party to a 50% coinsurance agreement with TRLIC. Pursuant to the agreement, FBLIC assumes 50%, up to \$100,000, of the cash receipts and cash disbursements associated with TRLIC's coinsured universal life insurance policies and contracts issued within the United States on or after January 1, 2022. TRLIC agrees to negotiate third-party reinsurance in order to cover any amounts over \$100,000.

Ceded Reinsurance

FBLIC is party to a reinsurance agreement with Optimum Re, effective January 1, 2001. In addition to the covered whole life policies, the agreement covers a set of specific policies issued prior to January 1, 2001, as stated in the contract. Under the terms of the agreement, Optimum Re assumes all risks above FBLIC's retention limit of \$50,000 per life, with an automatic limit per life of \$200,000 per policy, a facultative limit per life of \$10,000,000, and a jumbo limit of \$4,000,000 per policy.

Effective November 1, 2002, FBLIC and Optimum Re entered into another reinsurance agreement, under which Optimum Re agrees to reinsure 100% of risks, with a maximum limit of \$300,000 per life, for Accidental Death Benefit riders written by FBLIC.

FBLIC is also party to two reinsurance agreements related to its acquisition of RCLIC. As noted earlier in this report, effective March 1, 2022, RCLIC was merged with and into FBLIC. As the surviving entity of the merger, FBLIC became the ceding entity of former RCLIC policies. The first agreement is with Security National Life Insurance Company (SNLIC), with an effective date of December 31, 2007. Under the terms of this agreement, SNLIC agrees to reinsure the majority of RCLIC's policies in force as of the effective date, as well as 100% of future policies issued by RCLIC. The agreement was amended effective April 27, 2010, whereby SNLIC withdrew reinsurance coverage for any new policies issued after May 11, 2010. This business is in run-off.

The second agreement, effective June 26, 2019, is with Optimum Re and covers modified whole life policies. Under the terms of the agreement, Optimum Re assumes all risks above FBLIC's retention limit of \$50,000 per life, with no automatic reinsurance limit, a facultative limit per life of \$1,000,000, and a jumbo limit of \$1,000,000 per policy.

*FBLIC's acquisition of RCLIC was treated as a statutory merger and accounted for in accordance with SSAP No. 3, which required FBLIC to restate the 2021 amounts in the prior years' column of the 2022 Annual Statements, as if the merger had occurred as of January 1, 2021. This is the reason for the variance between the 2020 year-end capital and surplus amount and the 2021 beginning of year capital and surplus amount.
