A. **Scope of Agreement.** This Stipulation of Settlement and Voluntary Forfeiture embodies the entire agreement and understanding of the signatories with respect to the subject matter contained herein. The signatories hereby declare and represent that no promise, inducement or agreement not herein expressed has been made, and acknowledge that the terms and conditions of this agreement are contractual and not a mere recital.

B. **Remedial Action.** American Federated and American Federated Life agree to take remedial action bringing each into compliance with the statutes and regulations of Missouri and agree to maintain those remedial actions at all times. Such remedial actions shall include, but not be limited to, the following:

1. American Federated and American Federated Life agree to provide complete, truthful and accurate information to the Director, the Department or to any of its Divisions in connection with any future examinations, investigations, data calls or requests for information.

2. American Federated and American Federated Life agree that for any future

examination, they will facilitate the examination by providing to the Division's examiners timely, convenient and free access at all reasonable hours to all insurance records maintained by the Companies, whether those records are maintained at the offices of American Federated or American Federated Life or maintained at any other location, including at the offices of Tower Loan, subject to applicable federal and state financial privacy laws.

3. American Federated agrees that upon receiving a written request for cancellation for credit IUI policies from Tower Loan, they will cancel the policy within thirty (30) days and will return all unearned premium to the insured within thirty (30) days. American Federated further agrees that upon receiving a request from an insured to cancel the insured's credit IUI policy, American Federated will cancel the policy within thirty (30) days and will return all unearned premium to the insured within thirty (30) days.

4. American Federated agrees that in offering credit IUI coverage, it will ensure that the Companies or their producers, prior to sale a) notify the applicant of all eligibility requirements, b) accurately represent to applicants the total amount of payments that the Companies will make for a credit IUI claim, and c) accurately represent the expiration date for credit IUI policies in which the insured chooses to extend their first payment due date on the underlying loan.

5. American Federated and American Federated Life agree that they will maintain a complete record of all complaints the Companies receive for a period of not less than three years.

6. American Federated and American Federated Life agree to advise first party claimants of the acceptance of their claims and of all pertinent benefits, coverages and other provisions of the policy under which the claim was presented.

7. American Federated and American Federated Life agree that their denial letters to claimants based upon pre-existing condition will accurately reflect the Companies policy language provisions regarding pre-existing condition.

8. American Federated and American Federated Life agree to review all claims denied based on pre-existing condition since January 1, 2011 to determine if the claim was improperly denied based upon the applicable policy language in effect at the time of the claim. In the event that a claim was improperly denied, the Companies will re-adjudicate the claim and pay the claim based upon the terms of the policy language in effect at the time of the claim. Payment of the claim will include payment of 9% interest as provided in §408.020. A letter must

be included with the payment, indicating that “as a result of a Missouri Market Conduct examination,” it was found that additional monies were owed on the claim. If the Companies are unable to locate an insured entitled to payment under this Paragraph, after making a good faith effort to locate the insured, the funds shall be turned over to the Missouri Treasurer’s Office as unclaimed property.

9. American Federated and American Federated Life agree that they will maintain all policy records for the duration of the policy term plus two calendar years.

10. American Federated and American Federated Life agree that all claim denials will include a reasonable and accurate explanation of the basis for the denial.

C. **Compliance.** American Federated and American Federated Life agree to file documentation with the Division within 90 days of the entry of a final order of all remedial action taken to implement compliance with the terms of this stipulation and to document the payment of any restitution required by this Stipulation.

F. **Waivers.** American Federated and American Federated Life, after being advised by legal counsel, does hereby voluntarily and knowingly waive any and all rights for procedural requirements, including notice and an opportunity for a hearing, and review or appeal by any trial or appellate court, which may have otherwise applied to the above referenced Market Conduct Examinations.

G. **Non-Admission.** American Federated and American Federated Life deny they have violated any Missouri law or regulation and are of the position that this Stipulation of Settlement and Voluntary Forfeiture is a compromise of disputed factual and legal allegations, and that payment of a forfeiture or reimbursement is not to be construed as an admission of

liability, but merely to resolve the disputes and avoid litigation.

H. **Changes.** No changes to this stipulation shall be effective unless made in writing and agreed to by all signatories to the stipulation.

I. **Governing Law.** This Stipulation of Settlement and Voluntary Forfeiture shall be governed and construed in accordance with the laws of the State of Missouri.

J. **Authority.** The signatories below represent, acknowledge and warrant that they are authorized to sign this Stipulation of Settlement and Voluntary Forfeiture on behalf of the Division, American Federated and American Federated Life, respectively.
