Dear Sirs:

In accordance with your financial examination warrant, a comprehensive financial examination has been made of the records, affairs and financial condition of

   Advantica Dental Benefits, Inc.

hereinafter referred to as such or as "ADB" or as the "Company." The Company's statutory home office is located at 9735 Landmark Parkway Drive, Suite 14, St Louis, MO 63127, telephone number (314) 543-4900. This examination began on December 6, 2010 and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered
The last full scope association financial examination of Advantica Dental Benefits, Inc. was made as of December 31, 2005, by examiners from the state of Missouri representing the Midwestern Zone of the National Association of Insurance Commissioners (NAIC) with no other zones participating.

The current full scope financial examination covers the period from January 1, 2006, through December 31, 2009, and was conducted by examiners from the state of Missouri representing the Midwestern Zone of the NAIC with no other zones participating. This examination also included material transactions or events occurring subsequent to December 31, 2009.
Procedures
This examination was conducted using guidelines set forth in the Financial Condition Examiners Handbook of the NAIC, except where practices, procedures and applicable regulations of the Department of Insurance, Financial Institutions and Professional Registration ("DIFP") or statutes of the state of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company including corporate governance, identifying and assessing inherent risks within the Company, and evaluating systems controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management’s compliance with Statutory Accounting Principles and annual statement instructions when applicable to domestic state regulations.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. The following key activities were identified: Treasury, Reserves, Claims Handling, Premiums, Underwriting, and Intercompany.

The examiners relied upon information and workpapers provided by the Company’s independent auditor, BKD LLP, for its audit covering the period from January 1, 2009, through December 31, 2009. Such reliance included fraud risk analysis, internal control narratives and tests of internal controls.

SUMMARY OF SIGNIFICANT FINDINGS

Bylaws
The Company bylaws require eight directors, four of which are to be “ethical dentists duly licensed under the laws of the state of Missouri.” At December 31, 2009, the Board included only three dentists. The Company intends to amend its bylaws such that a fourth dentist is not required.

Fidelity Bond
The Company is a named insured on a financial institution bond policy purchased by its parent, Delta Dental of Missouri, which provides $750,000 in coverage with a $10,000 deductible. This coverage does not equal the minimum amount of fidelity insurance recommended by the NAIC of $900,000.

Unclaimed Property
Although the Company holds outstanding checks dating back to 2001, it has not made any unclaimed property filings nor does it maintain an escheat liability account on its books.

SUBSEQUENT EVENTS
The Company received a $500,000 capital contribution from its parent in the first quarter of 2010. On May 24, 2010, the Company filed an amendment to its articles of incorporation to change its name to Advantica Dental Benefits, Inc.

SUMMARY OF RECOMMENDATIONS

Bylaws
The Company bylaws require eight directors, four of which are to be “ethical dentists duly licensed under the laws of the state of Missouri.” At December 31, 2009, the Board included only three dentists. The Company intends to amend its bylaws such that a fourth dentist is not required. The Company should follow through and amend its bylaws to conform to the mix of directors that the Company intends to maintain.

Fidelity Bond
The Company is a named insured on a financial institution bond policy purchased by its parent, Delta Dental of Missouri, which provides $750,000 in coverage with a $10,000 deductible. This coverage does not equal the minimum amount of fidelity insurance recommended by the NAIC of $900,000. The Company should obtain additional fidelity coverage to comply to the minimum amount recommended by the NAIC.

Unclaimed Property
Although the Company holds outstanding checks dating back to 2001, it has not made any unclaimed property filings nor does it maintain an escheat liability account on its books. The Company should implement procedures to ensure compliance with the Missouri escheat statutes found in Chapter 447 RSMo (Lost and Unclaimed Property).

Re: Examination Report of Advantica Dental Benefits
For the period ending December 31, 2009

Dear Mr. Heese:

This letter is in response to your request for a written response or rebuttal to be included in the report as a public document.

The Examination Report noted three items for corrective action; our responses to the comments are:

- **Bylaws** – the Company will amend its bylaws to reduce the number of directors to one and remove the requirement of requiring fifty percent of the board to be "ethical dentists".

- **Fidelity Bond** – the Company has taken steps to increase its financial institution bond, effective July 1, 2011, to $900,000 as recommended by the NAIC.

- **Unclaimed Property** – the Company will file an unclaimed property report for any items five years or older as of June 30, 2011 no later than November 1, 2011 per escheat statute.

We believe the corrective actions noted to be satisfactory.

Sincerely,

Sheldon C. Cohen, DMD
President and Chief Executive Officer
