Jefferson City, MO 65101

Acting Director Lindley-Myers:

In accordance with your financial examination warrant, a comprehensive financial examination has been made of the records, affairs and financial condition of

Auto Club Family Insurance Company

hereinafter referred to as “Family” or the “Company.” The Company's home office is located at 12901 North Forty Drive, St. Louis, Missouri 63141; telephone number (314) 523-7350. Examination fieldwork began on November 14, 2016, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered
We have performed a multi-state examination of Auto Club Family Insurance Company. The last examination was completed as of December 31, 2012. This examination covers the period from January 1, 2013, through December 31, 2015. This examination also included material transactions or events occurring subsequent to December 31, 2015.

Procedures
This full-scope examination was conducted using guidelines set forth in the Financial Condition Examiners Handbook (Handbook) of the NAIC, except where practices, procedures and applicable regulations of the Department of Insurance, Financial Institutions and Professional Registration (Department or DIFP) or statutes of the State of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the company and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This includes assessing significant estimates made by management and evaluating management’s compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment is
documented separately following the Company’s financial statements.

This examination was conducted as part of a coordinated examination of the Automobile Club Enterprises Group, for which California is the lead state. The workpapers and reports of the lead state were used in the course of this examination as deemed appropriate.

This examination report includes significant findings of fact and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues or material changes to the balance sheet or income statement identified during the examination.

SUBSEQUENT EVENTS

There were no material subsequent events.

Holding Company, Subsidiaries and Affiliates

The Company is part of an Insurance Holding Company System as defined by Section 382.010 RSMo (Definitions). The Company is wholly owned by Automobile Club Inter-Insurance Exchange, which is a reciprocal inter-insurance exchange. The affairs of Exchange are managed by Club Exchange Corporation (CEC), the attorney-in-fact appointed by the subscribers of Club Exchange Corporation. Club Exchange Corporation is wholly owned by Automobile Club of Missouri (ACMO), an affiliate of American Automobile Association (AAA). Automobile Club of Southern California (ACSC) is the ultimate controlling entity.
Organization Chart
The following organizational chart depicts the insurance holding company system as of December 31, 2015. All subsidiaries are wholly owned unless otherwise noted. Dotted lines represent affiliation through a Subscriber Agreement whereby affairs are managed by an Attorney-In-Fact.
Affiliated Transactions
The Company has entered into various agreements with affiliates. These agreements are discussed below.

Affiliation Agreement

Parties: Family, Exchange, ACMO, CEC, Inter-Insurance Exchange of the Automobile Club (IEAC), ACSC, ACSC Management Services, Inc. and Auto Club Enterprises (ACE).

Effective: March 1, 2006.

Terms: The Affiliation Agreement sets forth the provisions for control among the companies. Specifically, the parties agreed to take the following actions pursuant to this agreement:

- The Board of Directors and other internal governing bodies were consolidated to accommodate representation of all companies.
- Exchange and Family commuted their existing 100% inter-company reinsurance pooling treaty. In turn, a new inter-company reinsurance pooling treaty between Exchange, Family and IEAC was executed.
- ACE and ACMO entered into a service agreement whereby the parties provide certain services to each other following the closing.
- Exchange issued a surplus note in the principal amount of $50 million to IEAC. $22 million of the proceeds of the new surplus note was used to retire the $20 million surplus note that was previously issued by Exchange to ACMO.
- IEAC agreed to maintain the “surplus ratio” of Exchange at no less than 60% (in effect, a 167% or lower net premiums to surplus ratio) after giving effect to the new inter-company pooling agreement between the parties.
- IEAC agreed to become licensed, accredited or qualified in the State of Missouri in order for Exchange and Family to take full reserve credit for amounts ceded to IEAC under the new inter-company reinsurance pooling agreement between the parties.
- Exchange and Family agreed to become accredited in the state of California in order for IEAC to take full reserve credit for amounts retroceded to Exchange and Family under the new inter-company reinsurance pooling agreement.
- In order to effectuate the accreditation of Family as a reinsurer in California, Exchange contributed $5 million dollars to the surplus of Family to place its surplus position above $20 million. Exchange also provided a minimum surplus guaranty of $20 million dollars for Family.
Rate(s): No rates are involved in this agreement.

Reinsurance Pooling Agreement

Parties: Family, Exchange and IEAC.

Terms: Exchange and Family cede 100% of their premiums net of unaffiliated reinsurance to IEAC. In turn, IEAC retrocedes 4% and 1% of the pooled premiums to Exchange and Family respectively, and retains 95% of the premiums for itself. All losses, loss adjustment and other expenses related to this pooled business are allocated to each company on the same basis as the original retrocession percentages. The First Amendment contains revisions to termination provisions and allocation of shares upon termination.

Rate(s): No rates are involved in this agreement.

Tax Allocation Agreement

Parties: Family and Exchange.

Terms: This agreement provides that the parties will file a consolidated federal income tax return.

Rate(s): The consolidated income tax liability is allocated to each of the parties on the basis of its contribution to the consolidated taxable income. Tax benefits from net operating losses and tax credits are allocated to the party generating the operating loss or tax credit.
Parental Guarantee Agreements

Parties: Family and Exchange.

Effective: June 28, 2006.

Terms: Exchange has provided a guarantee to the Kansas Insurance Department that the surplus of Family will not fall below $1.25 million at any point in time. Said guarantee was requested by Kansas as a contingency for approval of Family to write homeowners business in Kansas. It is not expected that this guarantee will ever require any action on the part of Exchange, as the minimum surplus required of Family is $2.4 million under Missouri State Statutes, well above the Kansas requirement. Additionally, Exchange has provided to the State of California a guarantee that the surplus of Family will not fall below $20 million at any time. This guaranty was to fulfill a requirement for the initial registration of Family as an accredited reinsurer in that state.

Rate(s): No rates are involved in the guarantees.

Service Agreement

Parties: Family, Exchange, CEC and ACMO.

Terms: ACMO provides general and administrative services to the parties, including public relations, investment of surplus and reserves, claims and claims adjustment, underwriting, actuarial, data processing, maintenance, general office, as well as legal, accounting and auditing services.

Rate(s): As compensation, Exchange and Family pay ACMO a management fee based on earned premiums. In addition, ACMO is reimbursed for the direct costs and overhead costs incurred by ACMO on behalf of the other companies. Direct costs include those departments (such as underwriting and claims) which provide services only to the two insurance companies (Exchange and Family). Overhead costs consist of other departments and functions which provide services to the insurance companies and other affiliates. Appendix A of the agreement is amended periodically and represents the procedure used by management to allocate expenses to Exchange and Family.
Multiple Cedent Allocation Agreement

Parties: Family, Exchange and IEAC.

Effective: January 1, 2008.

Terms: The purpose of this agreement is to properly allocate and record reinsurance premiums, reinstatement premiums, and recoveries among the parties as cedents to a multiple-cedent reinsurance arrangement as required by Statements of Statutory Accounting Principles (SSAP) 62.

Rate(s): Premiums are allocated in accordance with schedules contained in the agreement. The schedules are developed using the required premium deposit amounts for each reinsurance contract at the beginning of a treaty year.

FIDELITY BOND AND OTHER INSURANCE

ACSC and its subsidiaries (including Family) are insured under a fidelity bond policy with a limit of liability of $10,000,000 and a deductible of $100,000 per loss. This coverage complies with the suggested minimum amount of coverage according to NAIC guidelines.

The Company also benefits from other insurance coverage held by ACSC, which includes but is not limited to directors and officers liability, general liability, commercial automobile liability, property, commercial excess umbrella coverage and workers' compensation insurance. The Company's insurance coverage appears adequate.

PENSIONS, STOCK OWNERSHIP AND INSURANCE PLANS

Family does not have any direct employees. Services are provided by employees of the Automobile Club of Missouri pursuant to the Service Agreement. The benefits received by the personnel covered in the Service Agreement include, but are not limited to, paid holidays and leave, healthcare benefits, dental and vision coverage, life insurance, disability insurance, flexible spending accounts, 401(k) profit sharing and a defined benefits pension plan.

TERRITORY AND PLAN OF OPERATIONS

Family is licensed by the Missouri Department of Insurance, Financial Institutions and Professional Registration under Chapter 379 RSMo (Insurance other than life) to write property, liability, accident & health and miscellaneous insurance. The Company is also licensed in the states of Alabama, Arkansas, Illinois, Indiana, Kansas, Louisiana, Mississippi and Ohio. Approximately 66% of the 2015 direct premiums were written in Missouri.
The Company markets homeowners insurance and rental dwelling insurance through a combination of licensed captive agents and direct sales agents who are employed by the Auto Club of Missouri and located in branch and sales offices. Beginning in 2015, the Company stopped using independent agents to sell its policies. Insurance is only sold to members of the Auto Club of Missouri.

The employees of ACMO also sell standard private passenger automobile insurance and personal umbrella insurance for the Company’s parent, Exchange. In addition, the employees sell memberships for ACMO, life and annuity products for AAA Life Insurance Company (an affiliate), as well as life, health and other insurance products for non-affiliated licensed insurance companies.

Assumed

The Company participates in a reinsurance pooling agreement with IEAC and Exchange. Under this agreement Exchange and Family cede 100% of their net premiums and losses after outside reinsurance to IEAC. In turn, IEAC retrocedes 4% and 1% of the pooled premiums and losses to the Company and Family respectively, and retains 95% for itself.

Ceded

Family participates in a reinsurance program with other members of the ACSC organization including IEAC, Exchange, Auto Club County Mutual Insurance Company, Auto Club Casualty Company and Auto Club Indemnity Company. The purpose of the program is to control exposure to potential losses arising from large risks and to reduce the losses that may arise from catastrophes. The reinsurance is affected under a series of five excess-of-loss reinsurance contracts. The organization uses two reinsurance intermediaries, Guy Carpenter and BMS, to manage the program. Below is a summary of the limits of liabilities as of December 31, 2015, under the treaties (all numbers are in 000’s):
