Each Participating State hereby agrees to and does release the Companies and any of their parents and subsidiaries, successors, assigns, officers directors and employees from any and all claims, sanctions, losses, demands, interest, penalties, actions or other causes of action that each Participating State may have by reason of any matter, cause or thing whatsoever, regarding or relating to these Examinations and the issues raised in these Examinations or encompassed by the scope of this Agreement or as a result of any practices revealed by the Examinations, to the extent such practices commenced prior to the Effective Date of this Agreement. Notwithstanding the foregoing, this Agreement is not intended to, nor may it be construed to, limit a Participating State's authority to investigate, examine or act upon any noncompliance of the Companies with Insurance Laws or regulations regarding matters not within the scope of this Agreement. Further, nothing in this Agreement limits the authority of the Participating States to conduct any regulatory functions, including but not limited to dealing with specific instances of consumer complaints, licensing of insurers, Administrators, producers and other entities, or rate and form filing reviews which occur as part of Participating State's normal product filing review process. This Agreement is not intended and may not be construed to limit the authority of any Participating State to investigate, examine and take appropriate

action as to matters outside the scope of this Agreement. Except as provided herein, nothing in this Agreement shall be construed to waive or limit any rights the Participating States may have to regulate the Companies or to seek such other remedies for a violation of law or regulation.

12. Subsequent Law. If a Participating State adopts an Insurance Law relating to or conflicting with any provision of this Agreement, then application of such provision of this Agreement shall be superseded by such Insurance Law as it applies in that Participating State (and that state alone), and that all other unaffected terms and conditions of the Agreement shall remain in full force and effect.

13. Non-Admissibility. Neither this Agreement nor any part thereof, nor any act performed or document executed pursuant to or in furtherance of this Agreement, is now or may be deemed in the future to be an admission of or evidence of liability or any wrongdoing by the Companies or any of their parents and subsidiaries, successors assigns, officers, directors and employees.

14. No Admission of Liability. This Agreement does not constitute an admission of liability, violation, or wrongdoing by the Companies and the Companies expressly deny that any of their actions or alleged actions were knowingly committed or represented a pattern and/or business practice that would violate the insurance unfair trade practice laws, claims settlement laws, or any other applicable statutes or regulations of any of the Participating States. Neither this Agreement nor any part thereof, nor any related negotiations, statements or court proceedings shall be offered by the Companies, the Signatory Lead States, the Participating States or any third party as evidence of an admission, denial or concession of any liability or wrongdoing whatsoever on the part of any person or entity, including but not limited to the Companies or the Participating States, as a waiver by the Companies or the Participating States

of any applicable defenses, including without limitation any applicable statute of limitations or statute of frauds; or as a waiver by the Participating States of any regulatory authority regarding the matters or issues addressed in the Examinations.

15. No Impairment of Legal Activity. This Agreement does not impair, restrict, suspend or disqualify the Companies from engaging in any lawful business in any jurisdiction, based upon, or arising out of, the Examinations regarding any alleged act or omission of the Companies.

16. No Impact on Current Travel Insurance. Nothing in this Agreement or any of its terms and conditions shall be interpreted to alter in any way the terms or the validity of any of the Companies' Travel Insurance policies or certificates issued prior to the Effective Date. Nothing in this Agreement shall be interpreted to release the Companies from their obligation to pay claims in accordance with policy provisions. Further, nothing in this Agreement shall be interpreted to relieve the Companies of their obligations to process consumer complaints in accordance with applicable law.

17. Extensions. The Signatory Lead States and the Companies may mutually agree, in writing, to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement. In the event the Companies believes it will be unable to meet a deadline under the Agreement, the Companies will promptly, but in no event less than fourteen (14) business days prior to the deadline in question, inform the Signatory Lead States. The Companies will use their reasonable best efforts to meet any such deadline as soon as practicable. The Signatory Lead States agree that they will consider all requests for extensions from the Companies in good faith.

18. Amendments. No amendments shall be made to this Agreement except in writing and where agreed to by the Companies and the Signatory Lead States on behalf of the Participating States. Nothing in this Agreement is meant to prohibit a Participating State from entering into a separate agreement with the Companies regarding their Travel Insurance practices and procedures in that state.

19. Notice and Request for Modification. The Signatory Lead States will notify the Companies of any Agreements or terms of Agreements that they enter into with any other Travel Insurance companies that is inconsistent with the Business Reforms adopted in Section C of this Agreement. Upon receipt of such notice, Companies may seek a modification to this Agreement relating to the Business Reform at issue from the Signatory Lead States, and the Signatory Lead States will not unreasonably withhold consent to such a request for modification.

20. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be deemed an original and all of which, when taken together, shall constitute one and the same Agreement. Execution and delivery of this Agreement may be performed by e-mail or facsimile transmission.

21. Headings. The section headings herein are intended for reference and shall not by themselves determine the construction or interpretation of this Agreement.

22. Severability. If any term or provision of this Agreement is determined by any court, regulatory or governmental agency to be illegal, unenforceable or invalid in whole or in part for any reason, such illegal, unenforceable or invalid provision or part thereof shall be deemed stricken from this Agreement, and such provision shall not affect the legality, enforceability or validity of the remainder of this Agreement. Additionally, in the event that a court, regulatory or governmental agency determines that the Company has failed to satisfy a

provision of this Agreement, pursuant to the Enforcement provision in paragraph D (8), it is the intent of the Parties that the remainder of this Agreement and its corresponding obligations and provisions are not affected thereby and remain in effect.

23. Preservation of Rights. This Agreement shall not confer any rights upon any persons or entities other than the Parties to it or extinguish any such rights, and the Agreement is not intended to be used for any other purpose. Nor shall the Agreement be deemed to create any intended or incidental third-party beneficiaries, and the matters addressed herein shall remain within the sole and exclusive jurisdiction of the Participating States.

24. Participating State Adoption. States may adopt this Agreement and become Participating States only if they execute and return to the Signatory Lead States a Participating State Adoption in the form of Exhibit A on or before forty five (45) days from the date this Agreement is executed by the Managing Lead State.

Exhibit B
Content of Notice to Distribution Participants

From: Berkshire Hathaway Specialty Insurance Company

Re: Regulatory Settlement Agreement

Dear Colleagues:

In 2014, several state insurance departments initiated market conduct examinations and investigations of the travel insurance industry generally. To resolve these examinations and investigations, participating states insurance departments have offered the opportunity for many of these insurance companies to enter into a Regulatory Settlement Agreement (the "Agreement") without any admission of wrongdoing. In an effort to get this matter resolved, Berkshire Hathaway Specialty Insurance Company ("Berkshire Hathaway" or "Company") thought it in its best interest for itself and its partners and clients to enter into this Agreement. Attached is a copy of (or link to) the Agreement, including all exhibits thereto, which we are required to provide you pursuant to Section C (1) thereof. Please note the requirements contained in the Agreement as they relate to Distribution Participants.

All travel insurance companies have a duty to ensure that their distribution participants (including agents and administrators such as TPA's and MGA's) comply with all applicable laws and regulations for agents and administrators who are acting on the Company's behalf. Pursuant to the terms of the Agreement, Berkshire Hathaway hereby notifies you of the following specific regulatory requirements:

- The solicitation and purchase of insurance is governed by applicable state law and anyone found violating state law may be subject to license revocation, administrative fines, civil penalties and other remedial actions provided for by applicable state law.
- No one may charge a separate fee for travel insurance in addition to the travel insurance premium or add any charges or fees for any of the Company's travel insurance products or related services without a separate written agreement with the insured, unless permitted by applicable law, and must comply with all state anti-rebating laws in connection with the sale of travel insurance.
- No one may offer or sell travel insurance policies using an opt-out marketing plan unless using opt-out for insurance is permitted by applicable law.
- No one may undertake to engage in underwriting or taking risk that would be considered the business of insurance, as defined by law, without a valid certificate of authority to do so, unless permitted by applicable law.

- No one may represent that travel insurance is compulsory, or require or mandate the sale of travel insurance as a condition for the purchase of a trip or travel package, unless permitted by applicable law.
- Where prohibited by the Insurance Laws of the applicable Participating State, no one may sell in the same package or include or require in the sale of travel insurance the costs of non-insurance assistance services or travel cancellation fee waivers to consumers, or conversely sell in the same package or include or require in the sale of non-insurance assistance services or travel cancellation fee waivers, the cost of travel insurance.

Berkshire Hathaway is required to work in good faith with its licensed and registered distribution participants to ensure that this Notice is provided to all distribution participants that offer or sell Company's travel insurance. Please forward a copy of this Notice to all travel retailers and business entities offering or selling Berkshire Hathaway's Travel Insurance. RE: Modification to the RSA dated December 12, 2017

Dear Ms. Wilson:

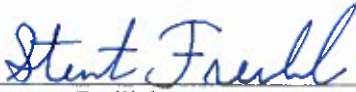

Pursuant to Section D (19) of the Regulatory Settlement Agreement (RSA) dated December 12, 2017 between Berkshire Hathaway Specialty Insurance Company (Berkshire), National Indemnity Company (National Indemnity) and the Signatory Lead States of Missouri, Minnesota, Ohio, Oklahoma, Pennsylvania and Utah, the Signatory Lead States will notify the Companies of any Agreements or terms of Agreements that they enter into with any other Travel Insurance Companies that is inconsistent with the Business Reforms adopted in Section C of the RSA. Upon receipt of such notice, Berkshire and National Indemnity may seek a modification to the RSA relating to the Business Reform at issue from the Signatory Lead States, and the Signatory Lead States will not unreasonably withhold consent to such a request for modification.

On February 23, 2018, the Signatory Lead States notified Berkshire and National Indemnity that agreements with other travel insurers contained a term that is inconsistent with Section C (29) of Berkshire/National Indemnity RSA. Berkshire and National Indemnity responded on March 2, 2018 seeking a modification of Section C (29) of the RSA to conform to similar provisions contained in RSA's with other travel insurers.

The Signatory Lead States, Berkshire and National Indemnity hereby agree to modify the terms of Section C (29) of the RSA dated December 12, 2017 between Berkshire Hathaway Specialty Insurance Company, National Indemnity Company and the Signatory Lead States to read as follows:

"Berkshire Hathaway agrees that, in connection with the offer or sale of its Travel Insurance, it will adopt and implement in each of the Participating States, except Pennsylvania, all Forward Looking Guidelines for Rate Filings contained in the Merlinos & Associates Report for Berkshire Hathaway Specialty Insurance Company dated July 14, 2017, which is part of the confidential examination workpapers for Examination Number 1603-24-TGT, to the extent that such Forward Looking Guidelines are required by the Participating State in a filing and are consistent with the Insurance Laws in the applicable Participating State, and with the understanding that this requirement to follow the guidelines is subject to each Participating State's enforcement of the RSA and that a Participating State can choose not to require the

Company to follow these guidelines. National Indemnity agrees, that in connection with the offer or sale of its Travel Insurance, it will adopt and implement in each of the Participating States, except Pennsylvania, all Forward Looking Guidelines for Rate Filings contained in the Merlinos & Associates Report for National Indemnity Company dated July 14, 2017, which is part of the confidential examination workpapers for Examination Number 1603-25-TGT, to the extent that such Forward Looking Guidelines are required by the Participating State in a filing and are consistent with the Insurance Laws in the applicable Participating State, and with the understanding that this requirement to follow the guidelines is subject to each Participating State's enforcement of the RSA and that a Participating State can choose not to require the Company to follow these guidelines."
