Director Lindley-Myers:

In accordance with your financial examination warrant, a full-scope financial examination has been made of the records, affairs, and financial condition of

North American Specialty Insurance Company (NAIC #29874)

hereinafter referred to as such, as NAS, or as the Company. Its administrative office is located at 1200 Main Street, Suite 800, Kansas City, Missouri 64105, telephone number 816-235-3700. The fieldwork for this examination began on May 2, 2022, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered
The Missouri Department of Commerce and Insurance (Department) has performed a multiple-state financial examination of NAS. The prior examination covered the period of January 1, 2012, through December 31, 2016, and was performed by the New Hampshire Department of Insurance. The current examination covers the period of January 1, 2017, through December 31, 2021, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

Procedures
We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook (Handbook), except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company’s surplus to be materially misstated, both on a current and prospective basis.

This examination also included a review of significant estimates made by management and evaluation of management’s compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company’s financial statements.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. Those activities considered in the examination as key to NAS included Investments, Premiums and Underwriting, Claims Handling and Reserving, Reinsurance, and Related Party Transactions. The examination also included a review and evaluation of information technology general controls.
This examination was conducted as part of a coordinated examination of the U.S. domestic insurers/reinsurers within the Swiss Re Ltd (SRL) holding company system (Swiss Re or Group), which, for the purposes of this examination, consists of fourteen insurers (including two captives) domiciled in Missouri, New Hampshire, and New York. The Missouri Department of Commerce and Insurance is the lead state regulator for the Group. Along with Missouri, New Hampshire and New York participated in the coordinated examination. The examination was also conducted concurrently with the examinations of the Company’s Missouri domiciled affiliates, as follows:

- Swiss Re Life & Health America Inc. (SRLHA)
- Westport Insurance Corporation (WIC)
- Swiss Re Property & Casualty America, Inc. (SRPCA)
- North American Elite Insurance Company (NAE)
- First Specialty Insurance Corporation (FSIC)
- Washington International Insurance Company (WIIC)
- Lumico Life Insurance Company (LLIC)
- Elips Life Insurance Company (ELIC)
- Wing Re Inc. (Wing Re)
- Wing Re II Inc. (Wing Re II)

This examination report includes significant findings of fact, as mentioned in Section 374.205 RSMo (Examination, director may conduct, when…) and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues, or material changes to the financial statements noted during the examination.

COMPANY HISTORY

General

Upon the completion of the internal Swiss Re Group restructuring on October 4, 2011, the Company’s direct parent became WIC, a Missouri domiciled property and casualty insurer. As a result, NAS resided in the Corporate Solutions (CorSo) business unit of the Swiss Re Group headed by Swiss Re Corporate Solutions Ltd (SRCS). CorSo functions as the commercial insurance arm of the Group, offering customized, tailored insurance solutions to businesses.
**Mergers, Acquisitions, and Major Corporate Events**
In order to simplify the organizational structure, reduce complexity, and strategically align operational and business models, CorSo North America has undergone a reorganization. The reorganization was designed to permit the Group to more efficiently allocate capital and leverage a common carrier to pool business and risks. The reorganization consists of the creation of a new holding company, Swiss Re Corporate Solutions Holding, as a subsidiary of SRZ and the merger of SRCS with and into SRZ. In furtherance of the reorganization, WIC transferred via extraordinary dividend, ownership of its subsidiaries to SR Corporate Solutions America Holding Corporation (SRCSAH) on September 1, 2021. In turn, FSIC, NAE, and North American Capacity Insurance Company (NAC) were contributed by SRCSAH to NAS.

In place of WIC, NAS is to act as the new flagship carrier of the CorSo division. Business formerly written or renewed by WIC is to be written or renewed by U.S. affiliates, including NAS.

Effective December 29, 2021, NAS and its subsidiaries, NAE and WIIC, redomiciled from New Hampshire to Missouri.

**Dividends and Capital Contributions**
On September 1, 2021, as part of the organizational changes discussed above, WIC transferred the ownership of its insurance subsidiaries, including NAS, to SRCSAH via an extraordinary dividend. SRCSAH, in turn, contributed North American Capacity Insurance Company (NAC), NAE and FSIC to NAS. The contribution had a combined value of $265,024,251.

Also on September 1, 2021, in conjunction with the organizational changes discussed above, NAS received a capital contribution in the form of cash from SRCSAH totaling $425,000,000.

**Surplus Notes**
There were no surplus notes issued or outstanding during the examination period.

**MANAGEMENT AND CONTROL**

**Board of Directors**
The management of the Company is vested in a Board of Directors that are elected by the stockholders. The Company’s Articles of Incorporations specify that there shall be no less than nine and no more than twenty-five board members. The Board of Directors elected and serving as of December 31, 2021, are listed on the following page.

SUBSEQUENT EVENTS

In 2023, Swiss Re streamlined its organizational structure. The Reinsurance Business Unit was split into P&C Reinsurance and L&H Reinsurance, with each having full authority over the respective underwriting and claims management processes. Corporate Solution's organizational model is not changing. The Group Functions will also adapt to optimally align with the new setup. The reorganization will not change the way Swiss Re reports its financial results externally. The reorganization was effective April 3, 2023.

Effective February 21, 2022, NAS exited the Elevate commercial underwriting platform market.

Effective April 29, 2022, NAS changed its name to Swiss Re Corporate Solutions America Insurance Corporation (SRCSAIC).

Effective January 1, 2023, SRCSAIC created and licensed its Canadian branch.

The COVID-19 pandemic has continued to develop, with significant uncertainty remaining regarding the full effect of COVID-19 on the U.S. and global insurance and reinsurance industry. The Department has been in communication with the Company regarding the impact of COVID-19 on its business operations and financial position. The Department continues to closely monitor the impact of the pandemic on the Company and will take necessary action if a solvency concern arises.
