Director Lindley-Myers:

PIKE COUNTY MUTUAL INSURANCE COMPANY

hereinafter referred to as such or as the Company. Its administrative office is located at 22 West Main Street, Bowling Green, MO 63334, telephone number (573)324-5301. The fieldwork for this examination began on August 22, 2021, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered  
The Missouri Department of Commerce and Insurance (Department) has performed a single-state financial examination of Pike County Mutual Insurance Company. The last examination of the Company by the Department covered the period of January 1, 2011, through December 31, 2015. The current examination covers the period of January 1, 2016 through December 31, 2020, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

Procedures  
We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook (Handbook), except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company’s surplus to be materially misstated, both on a current and prospective basis.

This examination report includes significant findings of fact and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no adverse findings, significant non-compliance issues, or material changes to the financial statements during the examination.

Assumed Reinsurance
MAMIC Mutual Insurance Company (MAMIC) issues direct policies to insure agents’ errors and omissions liability and directors’ and officers’ liability risks for various mutual insurance companies, including the Company. All of the policy risks insured by MAMIC for these two products are pooled and ceded to participating mutual insurance companies. The Company has a 5% share in the interests and liabilities of the pool.

Ceded Reinsurance
The Company has all of its reinsurance through Grinnell Mutual Reinsurance Company (the reinsurer) through a reinsurance agreement that provides per risk excess of loss and aggregate excess of loss coverage for property risks, as well as quote share coverage for liability and earthquake risks.

Under the per risk excess of loss section of the agreement, the Company retains $125,000 of property losses per risk, and the reinsurer’s maximum limit is $20 million per property risk. Under the aggregate excess of loss section of the agreement, the reinsurer is liable for 100% of the property losses in excess of the Company’s annual aggregate net retention, or attachment point. The attachment point for 2020 was $680,000.

For liability coverage, the Company cedes 100% of liability premiums and receives a 35% ceding commission. The Company retains the first $5,000 of ultimate net loss for each loss occurrence and cedes 100% of the excess losses to the reinsurer, limited to $1 million per loss occurrence. For earthquake coverage, the Company cedes 100% of the premiums and losses to the reinsurer.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that assuming reinsurer fails to perform its obligations under the reinsurance contract.

SUBSEQUENT EVENTS
On March 11, 2020, the World Health Organization declared the spreading coronavirus (COVID-19) outbreak a pandemic. As of the date of this report, significant uncertainty remains regarding the effect that the pandemic will have on the economy and insurance industry at large, and on the Pike County Mutual Insurance Company, specifically. The examination team considered the potential impact of COVID-19 on the Company throughout examination testing and procedures. At this point, it does not appear that COVID-19 has had a significant impact on the Company. The Department is monitoring the impact of the pandemic on the Company and will take necessary actions if a solvency concern arises.
