Re: Settlement with Missouri Department of Insurance

Dear Colleagues:

In 2017, the Missouri Department of Insurance initiated a market conduct investigation of QBE Insurance Corporation ("QBE" or "Company") relating to its travel insurance business. To resolve this investigation, QBE entered into a Stipulation of Settlement ("Stipulation") with the Department without any admission of wrongdoing. The Stipulation was approved in an Order issued by the Missouri Insurance Director. Attached is a copy of (or link to) the Stipulation and Order, including all exhibits thereto, which we are required to provide you pursuant to Section B (10). Please note the requirements contained in the Stipulation as they relate to Distribution Participants.

All travel insurance companies have a duty to ensure that their distribution participants (including agents and administrators such as TPA’s and MGA’s) comply with all applicable laws and regulations for agents and administrators who are acting on the Company’s behalf. Pursuant to the terms of the Stipulation, QBE hereby notifies you of the following specific regulatory requirements as they relate to sales of QBE travel insurance in Missouri or to Missouri consumers:

- The solicitation and purchase of insurance in Missouri or to Missouri consumers is governed by applicable Missouri law and anyone found violating state law may be subject to license revocation, administrative fines, civil penalties and other remedial actions provided for by applicable state law.

- No one may charge a separate fee for travel insurance in addition to the travel insurance premium or add any charges or fees for any of the Company’s travel insurance products or related services in Missouri without a separate written agreement with the insured, and must comply with all Missouri anti-rebating laws in connection with the sale of travel insurance.

- No one may offer or sell travel insurance policies using an opt-out marketing plan in Missouri or to Missouri consumers.
• No one may undertake to engage in underwriting or taking risk that would be considered the business of insurance, as defined by Missouri law, without a valid certificate of authority issued by the Director of the Missouri Department of Insurance.

• No one may represent in Missouri or to Missouri consumers that travel insurance is compulsory, or require or mandate the sale of travel insurance as a condition for the purchase of a trip or travel package, unless permitted by Missouri law.

• No one may combine and package the cost of Assistance Services or Travel Cancellation Fee Waivers with the cost of QBE travel insurance in the sale of QBE travel insurance in Missouri or to Missouri consumers unless a) there is clear and conspicuous written disclosure provided to the purchaser of the different component parts included in the package, b) there is clear and conspicuous written disclosure provided to the purchaser of the cost of each component included in the package, and c) the purchaser is provided the option of purchasing travel insurance as a stand-alone product.

• Missouri Insurance Laws for Self-Funding Insurance Coverages must be complied with if any coverage is unauthorized insurance.

QBE is required to work in good faith with its licensed and registered distribution participants to ensure that this Notice is provided to all distribution participants that offer or sell Company’s travel insurance in Missouri or to Missouri consumers. Please forward a copy of this Notice to all travel retailers and business entities offering or selling the Company’s Travel Insurance in Missouri or to Missouri consumers.
