Honorable John M. Huff, Director
Missouri Department of Insurance, Financial
Institutions and Professional Registration
301 West High Street, Room 530
Jefferson City, Missouri 65102

Director Huff:

In accordance with your financial examination warrant, a full scope financial association examination has been made of the records, affairs and financial condition of

United Dental Care of Missouri, Inc.

hereinafter referred to as such, as UDC-MO, or as the Company. Its administrative office is located at 2323 Grand Boulevard, Kansas City, Missouri 64108, telephone number 816-474-2345. The fieldwork for this examination began on September 1, 2014, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

We have performed a multi-state full scope association financial examination of UDC-MO. The last examination was completed as of December 31, 2010 and was conducted by examiners from the State of Missouri. This examination covers the period of January 1, 2011 through December 31, 2014. The examination also includes the material transactions and/or events occurring subsequent to the examination date which are noted in this report.

Procedures

We conducted our examination in accordance with the NAIC Financial Condition Examiners Handbook (Handbook) except where practices, procedures and applicable regulations of the Missouri Department of Insurance, Financial Institutions and Professional Registration (DIFP) and statutes of the State of Missouri prevailed. The Handbook requires the planning and performance of the examination to evaluate the Company's financial condition, assess corporate governance, identify current and prospective risks of the company and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination approach. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

The examination report includes significant findings of fact and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature, are not communicated within the examination report but separately communicated to other regulators and/or the Company.

Reliance Upon Others

The examination relied heavily upon information provided by the Company and its management. Where the examiners have deemed appropriate, this information has been tested or verified with external sources. The examiners also relied upon information supplied by the Company's independent auditor, PricewaterhouseCoopers, LLP of Kansas City, Missouri for its audit covering the periods from January 1, 2014 through December 31, 2014. Information relied upon included fraud risk analysis, narrative descriptions of processes, and control and substantive testing.

The examination also relied heavily upon information provided by the Delaware Department of Insurance from its examination of the Assurant, Inc. group of companies for the year ending December 31, 2013 and information provided by the Kansas Department of Insurance from its examination of UDC-MO's direct parent, Union Security Insurance Company (USIC) for the year ending December 31, 2014. Information relied upon included documentation and testing of controls and processes and corporate governance reviews.

SUMMARY OF SIGNIFICANT FINDINGS

There were no material adverse findings, significant non-compliance issues, or material changes to the financial statements noted during the examination.

SUBSEQUENT EVENTS

On September 9, 2015 the Company's ultimate parent, Assurant, Inc. (Assurant) entered into a definitive agreement to sell its employee benefits business for approximately \$940 million to Sun Life Financial, Inc. The sale was structured as a combination of reinsurance agreements and the sale of certain legal entities and assets.

Under the terms of the agreement, Assurant caused Union Security Insurance Company, to sell all of the issued and outstanding shares of capital stock of UDC-MO to Sun Life Assurance Company, which is in turn wholly owned by Sun Life Financial, Inc. The transaction was approved by the Missouri DIFP through an Order effective January 5, 2016.

COMPANY HISTORY

UDC-MO was originally incorporated on January 26, 1993 under the general business laws of the State of Missouri. On August 3, 1993, the Company was licensed as a prepaid dental insurer under Chapter 354 RSMo.

UDC-MO was wholly owned by Interfinancial Inc., a holding company entity, which in turn is wholly owned by Assurant, Inc. Effective January 1, 2013, Interfinancial, Inc. contributed its shares of UDC-MO to Union Security Insurance Company (USIC) which is also wholly owned by Assurant, Inc. Thus, USIC is the immediate parent of UDC-MO and Interfinancial, Inc. is the immediate parent of USIC.

Capital Contributions

The Company did not receive any capital contribution during the period under examination.

Dividends

No stockholder dividends were paid for the period under examination.

Mergers and Acquisitions

Effective January 1, 2013, Interfinancial, Inc. contributed its shares of UDC-MO to Union Security Insurance Company. USIC became the immediate parent of UDC-MO and Interfinancial, Inc. remained the immediate parent of USIC. This transaction was approved by a Form A Exemption Order dated November 5, 2012.

As documented in the Subsequent Events section of this report, on January 5, 2016, the Missouri DIFP issued an Order approving the sale of UDC-MO to Sun Life Assurance Company a wholly owned subsidiary of Sun Life Financial, Inc.

CORPORATE RECORDS

A review was conducted of the Articles of Incorporation and Bylaws for the examination period. No changes were made to either the Articles of Incorporation or Bylaws for the period under examination.

The minutes of the Board of Directors' meetings and stockholder's meetings were reviewed for proper approval of corporate transactions. In general, the minutes appear to properly reflect and approve the Company's policies, investment transactions, and major transactions and events for the period under examination.

MANAGEMENT AND CONTROL

Board of Directors

The management of the Company is vested in a Board of Directors appointed by the sole shareholder. The Bylaws specify that the number of Directors may be determined by resolution of the shareholders. The sole shareholder has determined the size of the Board shall be one, which as of December 31, 2014 was as follows:

<u>Name</u>	<u>Address</u>	<u>Title</u>
Stacia N. Almquist	Shawnee, Kansas	Board Member and President UDC- MO

The Board member is an Officer of the Company, indicating a lack of independence in the Company's governance. This is not unusual given the ownership structure of the Company as a subsidiary within a major corporation. To ascertain independence and prudent corporate governance standards, the composition of the Board of Directors of Assurant was reviewed. Assurant's Board is composed of twelve directors of which eleven are reported as independent.

Senior Officers

The Bylaws state that the elected officers of the Company shall consist of a president, one or more vice presidents, a secretary, and a treasurer. Other officers may be elected as required by law or as needed and as determined by the Board. The senior officers elected by the Board and serving as of December 31, 2014 were as follows:

Stacia N. Almquist	President
James Barrett, DMD	Vice President
Gary Lau	Vice President
Kenneth Bowen	Secretary
Amy Goerke	Treasurer

Committees

UDC-MO's Bylaws do not require committees and the Board relies on the Audit and Investment Committee at the Assurant level with all transactions and information presented to the Board of Directors.

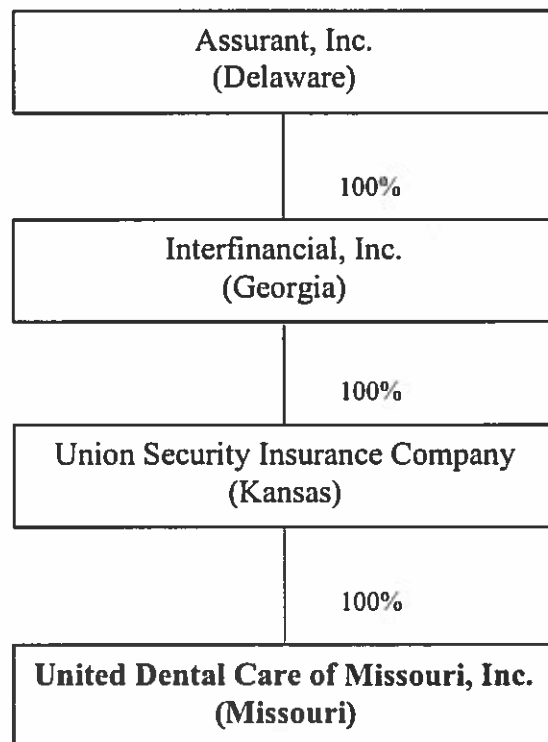

Holding Company, Subsidiaries and Affiliates

UDC-MO is 100% directly owned by Union Security Insurance Company, which is directly owned by Interfinancial Inc., which is directly owned by Assurant, Inc., the ultimate entity within the holding company system.

Assurant is a holding company whose subsidiaries provide specialized insurance products and related services in North America and select worldwide markets. Organizational Chart

Any examination adjustments to the amounts reported in the financial statements and/or comments regarding such are made in the "Comments on Financial Statement Items". The failure of any column of numbers to add to its respective total is due to rounding or truncation.

There may have been additional differences found in the course of this examination, which are not shown in the "Comments on Financial Statement Items".
