**The ideal location for business.**

In addition to being ranked as a top 10 pro-business state, Missouri’s central location is ideal. Missouri is bordered by eight states and boasts a sophisticated and integrated transportation network – including nine commercial airports – and easy access to interstates.

---

**How MOCaptive differs**

- Fees for licensing and renewal are fully deductible from future premium taxes.
- Consultant review fees cannot exceed the stated maximum, no matter how complex.
- Letters of credit, by statute, are admissible assets.
- Most captive applications are approved in 30 days or less.
- Offices in St. Louis, Kansas City and Jefferson City for your convenience.
- Full-time captive staff – reinsurance expert, P&C actuary and L&H actuary – ensure responsive regulation.
- Law provides a simplified process to re-domesticate existing captives from U.S. or offshore domiciles.
- Law allows flexibility in determining the level of regulation needed.
- Use the same audit and legal teams as your corporate business.
- Get personal attention and direct access to the decision makers at the department.
- Take advantage of our Midwestern work ethic.

---

**How it’s similar**

- Formation types and structures that suit most business needs, including pure, association, branch, cell and SPLRC captives.
- Dedication to the captive insurance industry in our state and the economic benefits it brings.
- Legal, accounting, actuarial, captive management and investment professionals with extensive experience establishing and managing captive insurance businesses.
- Stable political climate that supports a healthy insurance industry.
- Captive association that actively promotes our state. See mocaptive.com for details.
