GENERAL PROVISIONS

The following provisions apply to all parts of the policy except where otherwise noted.

Insuring Agreement

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the Policy Declarations. If more than one **auto** is insured, premiums will be shown for each **auto**. **We** may find it necessary to issue **you** two or more different policy numbers for this one policy. Even if **we** issue two or more policy numbers, this shall still constitute one policy. **Your** Policy Declarations lists the policy numbers applicable. If **you** pay the premiums when due and comply with the policy terms, **Allstate**, relying on the information **you** have given **us**, makes the following agreements with **you**.

You agree to review **your** Policy Declarations to confirm which of the available coverages and limits described in this policy have been issued to **you**. **You** agree to also review those sections of this policy which relate to those coverages issued to **you** so that **you** fully understand the insurance protection **you** are receiving. Failure to review this policy, including **your** Policy Declarations, will not relieve **you** of this obligation. **You** should contact **Allstate**, or the agent listed on **your** Policy Declarations, immediately if **you** have any questions about the coverages or limits, if **you** believe there is any mistake about the coverages or limits issued to **you**, or if **you** have any questions or do not understand anything in this policy.

While **your** agent can help answer many specific questions about the coverages, only **you** can determine if **you** have selected the insurance coverages **you** need and that those coverages have actually been issued to **you**.

The terms of this policy impose joint obligations on person(s) defined in applicable sections of this policy as insured person(s). This means that the responsibilities, acts and omissions of a person defined as an insured person will be binding upon other person(s) defined as insured person(s).

When And Where The Policy Applies

Your policy applies only during the policy period. During this time, it applies to covered losses to the **insured auto**, accidents, and occurrences within the United States, its

territories or possessions, Canada, and between their ports. The policy period is shown on the Policy Declarations.

Conformity To State Statutes

When the policy provisions are in conflict with the statutes of the state in which the **insured auto** is principally garaged, the provisions are amended to conform to such statutes.

Insurance Coverage In Mexico

Prior to entering and driving in Mexico, **you** must check with the appropriate Mexican authorities regarding automobile insurance requirements.

Automobile accidents in Mexico are subject to the laws of Mexico, NOT the United States. In Mexico, an automobile accident can be considered a CRIMINAL OFFENSE as well as a civil matter.

In some cases, part or all of this policy may NOT be recognized by Mexican authorities and **we** may not be allowed to provide any insurance coverage at all in Mexico. For **your** protection, **you** should consider purchasing automobile insurance coverage from a licensed Mexican insurance company before driving into Mexico.

However, when permitted, protection will be afforded under those coverages for which a premium is shown on the Policy Declarations for an **insured auto** while that **insured auto** is within 75 miles of the United States border and only for a period not to exceed ten days after each separate entry into Mexico.

If loss or damage occurs which may require repair of the **insured auto** or replacement of any part(s) while the **insured auto** is in Mexico, the basis for adjustment of the claim will be as follows: Any amount payable resulting from any covered loss or damage occurring in Mexico shall be payable in the United States. **We** will not be liable for more than the cost of having the repairs made or parts replaced at the nearest point in the United States where repairs or replacements can be performed. The costs for towing, transportation, and salvage operations of the **insured auto** while within Mexico are not covered under this policy.

What Law Will Apply

This policy is issued in accordance with the laws of Missouri and covers property or risks principally located in Missouri. Subject to the following paragraph, any and all claims or disputes in any way related to this policy shall be governed by the laws of Missouri.

If a covered loss to the **auto**, a covered **auto** accident, or any other occurrence for which coverage applies under this policy happens outside Missouri, claims or disputes regarding that covered loss to the **auto**, covered **auto** accident, or other covered occurrence may be governed by the laws of the jurisdiction in which that covered loss to the **auto**, covered **auto** accident, or other covered occurrence happened, only if the laws of that jurisdiction would apply in the absence of a contractual choice of law provision such as this.

Where Lawsuits May Be Brought

Subject to the following two paragraphs, any and all lawsuits in any way related to this policy shall be brought, heard, and decided only in a state or federal court located in Missouri. Any and all lawsuits against persons not parties to this policy but involved in the sale, administration, performance, or alleged breach of this policy or involved in any other way with this policy, shall be brought, heard, and decided only in a state or federal court located in Missouri, provided that such persons are subject to or consent to suit in the courts specified in this paragraph.

If a covered loss to the **auto**, a covered **auto** accident, or any other occurrence for which coverage applies under this policy happens outside Missouri, lawsuits regarding that covered loss to the **auto**, covered **auto** accident, or other covered occurrence may also be brought in the judicial district where that covered loss to the **auto**, covered **auto** accident, or other covered occurrence happened.

Nothing in this provision, **Where Lawsuits May Be Brought**, shall impair any party's right to remove a state court lawsuit to a federal court.

Premium Changes

The premium for each **auto** is based on information **Allstate** has received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period.

Changes which result in a premium adjustment are described in **our** rules. These changes include, but are not limited to:

1. **autos** insured by the policy, including changes in use;
2. drivers residing in **your** household, their ages or marital status;
3. coverages or coverage limits;
4. rating territory; and
5. discount or surcharge applicability.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Coverage Changes

When **Allstate** broadens a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by

endorsement. Any change in **your** coverage will be made using the rules, rates and forms in effect, and on file if required, for **our** use in **your** state.

Duty To Report Policy Changes

Your policy was issued in reliance on the information **you** provided concerning **autos**, persons insured by the policy and **your** place of residence. To properly insure **your auto**, **you** must promptly notify **us** when **you** change **your** address or whenever any **resident** operators insured by **your** policy are added or deleted.

You must notify **us** within 30 days when **you** acquire an **additional auto**. If **you** don't, the coverages under this policy will not apply to the **additional auto**.

When **you** acquire an **additional auto** or **utility auto** it will be covered by **Allstate** or one of its affiliates for 30 days immediately after **you** acquire ownership. However, **Allstate** or one of its affiliates will provide this coverage only if **Allstate** or one of its affiliates insures all other **autos** and **utility autos you** own, no other insurance policy provides coverage for this **auto**, and **you** pay the additional premium.

Coverage will be continued beyond this 30 day period only if:

- a. **you** ask **us** to continue coverage within 30 days after **you** acquire the **auto** or **utility auto**;
- b. **Allstate** or one of its affiliates agrees to continue coverage for this **additional auto** or **utility auto**; and
- c. **you** pay the additional premium.

If **you** don't notify **us** within 30 days of acquiring a **replacement auto**, the coverage under Part 5, Protection Against Loss To The Auto, of this policy will not apply to the **replacement auto**.

Notice

Your notice to an authorized **Allstate** agent shall be deemed to be notice to **us**.

What To Do If There Is A Loss

1. If an insured person has an accident involving a motor vehicle, **Allstate** or any authorized agent of **Allstate** must be informed promptly of all details. As soon as possible, any person making a claim must give **us** written proof of loss, including all details **we** may need to determine the amounts payable.
2. **We** may require any person making a claim to file with **us** a sworn proof of loss. **We** may also require that person to

submit to examinations under oath, separately and apart from others, and to sign the transcript.

3. If an insured person is sued as the result of a motor vehicle accident, **we** must be informed immediately.
4. **You** must allow **us** to inspect the damaged property.
5. **You** must protect the **auto** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** don't protect the **auto**, further loss is not covered.
6. **You** must report all theft losses promptly to the police.

Proof Of Claim; Medical Reports

The injured person may be required to take medical examinations by physicians **we** choose, as often as **we** reasonably require. **We** must be given authorization to obtain medical reports and other records pertinent to the claim.

Assistance And Cooperation Of The Insured

An insured person must cooperate with **us** in the investigation, settlement and defense of any claim or lawsuit. If **we** ask, that person must also help **us** obtain payment from anyone who may be jointly responsible.

We are not obligated to provide reimbursement if an insured person voluntarily takes any action or makes any payments other than for covered expenses for bail bonds or first aid to others. Under Uninsured Motorists Insurance and Underinsured Motorists Insurance, **we** may require an insured person to take proper action to preserve all rights to recover damages from anyone responsible for the **bodily injury**.

Subrogation Rights

When **we** pay under Uninsured Motorists Insurance or Protection Against Loss To The Auto, **your** rights of recovery from anyone else become **ours** up to the amount **we** have paid. **You** must protect these rights and help **us** enforce them.

Combining Limits Of Two Or More Autos Prohibited

(This provision does not apply to Part 3—Uninsured Motorists Insurance).

The coverage limits applicable to any one **auto** or **utility auto** shown on the Policy Declarations will not be combined with or added to the coverage limits applicable to any other **auto**

or **utility auto** shown on the Policy Declarations or covered by the policy. This means that no stacking or aggregation of coverages will be allowed by this policy. This is true even though a separate premium is charged for each of those **autos** or **utility autos**. This is true regardless of the number of:

1. vehicles or persons shown on the Policy Declarations;
2. vehicles involved in the accident;
3. persons seeking damages as a result of the accident; or
4. insured persons from whom damages are sought.

If two or more **autos** or **utility autos** are shown on the Policy Declarations and one of these **autos** or **utility autos** is involved in an accident to which coverage applies, the coverage limits shown on the Policy Declarations for the involved **auto** will apply. If a covered accident involves an **auto** other than one shown on the Policy Declarations, or if an insured person is struck as a pedestrian in a covered accident, the highest coverage limits shown on the Policy Declarations for the applicable coverage for any one **auto** will apply.

Transfer

This policy can't be transferred to another person without **our** written consent. However, if **you** die, this policy will provide coverage until the end of the policy period for **your** legal representative while acting as such and for persons covered on the date of **your** death.

Payment

If **your** initial premium payment for **your** first policy period is by check, draft, or any remittance other than cash, such payment is conditional upon the check, draft, or remittance being honored upon presentation. If such check, draft, or remittance is not honored upon presentation, this policy shall be deemed void from its inception. This means that **Allstate** will not be liable under this policy for any claims or damages which would otherwise be covered had the check, draft, or remittance been honored upon presentation.

Conditional Reinstatement

If **we** mail a cancellation notice because **you** didn't pay the required premium when due and **you** then tender payment by check, draft, or other remittance which is not honored upon presentation, **your** policy will terminate on the date and time shown on the cancellation notice and any notice **we** issue which waives the cancellation or reinstates coverage is void. This means that **Allstate** will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

Fraud Or Misrepresentation

Your policy was issued in reliance on the information **you** provided on **your** Auto Insurance Application and is conditioned upon the truthfulness of that information. **You** agree that if **your** policy was obtained through material misrepresentation, fraud or concealment of material facts, **Allstate** may void or rescind **your** policy. However, **we** will not void or rescind third party liability coverage for losses occurring before the policy is voided or rescinded due to fraud, misrepresentation or concealment used in the obtaining of the policy.

Cancellation

You may cancel this policy by notifying **us** of the future date **you** wish to stop coverage.

Our Right to Cancel:

When this policy has been in effect for less than 60 days and it is not a renewal with **us**, **we** may cancel part or all of this policy for any reason by mailing notice to **you** at least 10 days before the cancellation takes effect.

When this policy has been in effect for 60 days or more, or if it is a renewal with **us**, **we** may cancel part or all of this policy for one or more of the following reasons:

1. **you** do not pay the premium when it is due;
2. **you**, any member of **your** household, or any person who customarily operates an insured **auto** has had a driver's license or motor vehicle registration suspended or revoked during the policy period, and there is only one named insured or;
3. **Allstate** has mailed notice within the first 59 days that **we** do not intend to continue the policy.

If the cancellation is for non-payment of premium, **we** will mail **you** notice at least 10 days before the cancellation takes effect. If the cancellation is for any of the other reasons stated above, **we** will mail notice to **you** at least 30 days before the cancellation takes effect.

Our mailing the notice of cancellation to **you** at **your** last mailing address known to **us** shall be sufficient proof of receipt of notice. Coverage under this policy will terminate on the effective date and hour stated on the cancellation notice. **Your** return premium, if any, will be calculated on a pro rata basis and refunded at the time of cancellation or as soon as possible. **We** will refund amounts under \$2.00 only upon

your request. However, refund of unearned premium is not a condition of cancellation.

Non-Renewal

If **we** don't intend to continue the policy beyond the current policy period, **we** will mail **you** notice at least 30 days before the end of the policy period.

Loss Reduction Items

From time to time, **we** may provide **you** with certain items designed to help **you** manage the risks **you** face, loss reduction related items, discounts or incentives not otherwise specified herein.

Action Against Allstate

No suit or action may be brought against **us** unless there has been full compliance with all policy terms and conditions.

Bankruptcy Or Insolvency

The bankruptcy or insolvency of an **insured person** or that person's estate will not relieve **us** of any obligation under the policy.

Missouri Guaranty Association

Missouri law requires **us** to inform **you** that the Missouri Property and Casualty Insurance Guaranty Association does not cover policyholder claims of insolvent insurers exceeding \$300,000.

The Missouri Property and Casualty Insurance Guaranty Association Act contains the following limitations:

1. Claims covered by the Act do not include a claim by or against an insured of an insolvent insurer if that insured has a net worth of \$25 million on the date the insurer becomes insolvent.
2. The Associations' obligation includes only the amount of each covered claim which is less than \$300,000. However the Association will not:
 - a. Be obligated to an insured or claimant in excess of the limits of liability of the policy from which the claim arises; or
 - b. Return to the insured any unearned premium in excess of \$25,000.

Part 1—Automobile Liability Insurance Bodily Injury Liability—Coverage AA Property Damage Liability—Coverage BB

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Bodily Injury Liability Coverage and Property Damage Liability Coverage, **Allstate** will pay damages which an **insured person** is legally obligated to pay because of:

1. **bodily injury** sustained by any person, and
2. damage to, or destruction of, property, including loss of use.

Under these coverages, **your** policy protects an **insured person** from liability for damages arising out of the ownership, maintenance or use, loading or unloading of an **insured auto**.

We will not pay any punitive or exemplary damages, fines or penalties under Bodily Injury Liability or Property Damage Liability coverage.

We will defend an **insured person** sued as a result of a covered accident involving an **insured auto**. **We** will choose the counsel. **We** may settle any claim or suit if **we** believe it is proper. **We** will not defend an **insured person** sued for damages arising out of **bodily injury** or property damage which are not covered by this policy.

Our Right To Appeal

If an **insured person** or any other insurer elects not to appeal a judgment, **we** may do so. **We** will pay reasonable costs and interest incidental to the appeal. **We** will not be liable for more than the limit shown on **your** Policy Declarations plus the reasonable costs and interest incidental to the appeal.

Additional Payments Allstate Will Make

When **we** defend an **insured person** under Part 1, **we** will pay:

1. up to \$50 a day for the loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a **bodily injury** suit. **We** won't pay for loss of other income. **We** will pay other reasonable expenses incurred at **our** request.
2. court costs for defense.

3. interest accruing on a judgment entered against **you**, but only on that part of a judgment entered against **you** which does not exceed **our** limits of liability, until such time as **we** have paid, formally offered, or conditionally or unconditionally deposited in court, the amount for which **we** are liable under this policy. Interest will be paid only on that part of a judgment entered against **you** which does not exceed **our** limits of liability. This means that under no circumstances will **we** pay interest on that part of a judgment entered against **you** which exceeds **our** stated limits of liability.
4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** have no obligation, however, to apply for or furnish these bonds.

We will repay an **insured person** for:

1. the cost of any bail bonds required because of an accident or traffic law violation involving the use of the **insured auto**. Payment won't exceed \$300 per bond. **We** have no obligation to apply for or furnish a bond.
2. reasonable expenses incurred by an **insured person** for first aid to other persons at the time of an **auto** accident involving the **insured auto**.

Additional Definition For Part 1

"**Insured Person(s)**" means:

1. While using **your insured auto**:
 - a. **you**,
 - b. any **resident**,
 - c. and any other person using it with **your** permission.
2. While using a **non-owned auto**:
 - a. **you**, and
 - b. any **resident** relative.

Exclusions—What Is Not Covered

Allstate will not pay for any damages an **insured person** is legally obligated to pay because of:

1. **bodily injury** or property damage resulting from the ownership, maintenance or use, loading or unloading of the **insured auto** by any person as an employee of the United States government, while acting within the scope of such employment. This exclusion applies only if the provisions of the Federal Tort Claims Act, as amended, require the Attorney General of the United States to defend that person in any civil action or proceeding which may be brought for the **bodily injury** or property damage.

2. **bodily injury** or property damage arising out of the use of an **insured auto** while used to carry persons or property for a charge, or the use of any **auto** an **insured person** is driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
 3. **bodily injury** or property damage arising out of **auto** or motor vehicle business operations such as repairing, servicing, testing, washing, parking, storing or selling of **autos** or motor vehicles. However, this exclusion does not apply to **you, resident** relatives, partners or employees of the partnership of which **you** or a **resident** relative are a partner, when using **your insured auto**.
 4. **bodily injury** or property damage arising out of the use of a **non-owned auto** in any business or occupation of an **insured person**. However, this exclusion does not apply while **you, your chauffeur, or domestic servant** are using an **auto** or trailer.
 5. **bodily injury** or property damage arising out of the ownership, maintenance, or use of a motor vehicle with less than four wheels.
 6. **bodily injury** to an employee of any **insured person** arising out of or in the course of employment. This exclusion does not apply to **your** domestic employee who is not required to be covered by a workers' compensation law or similar law.
 7. **bodily injury** to a co-worker injured in the course of employment. This exclusion does not apply to **you**.
 8. **bodily injury** to any person related to an **insured person** by blood, marriage, or adoption and residing in that person's household. This exclusion applies only to the extent that the limit of liability for this coverage exceeds the minimum limit of liability required by the Financial Responsibility Law of Missouri.
 9. damage to or destruction of property an **insured person** owns, transports, is in charge of, or rents. However, a private residence or a garage rented by that person is covered.
 10. **bodily injury** or property damage intended by, or reasonably expected to result from, the intentional or criminal acts or omissions of, an **insured person**. This exclusion applies even if:
 - a. such **insured person** lacks the mental capacity to control or govern his or her conduct;
 - b. such **insured person** is temporarily insane or temporarily lacks the mental capacity to control or govern his or her conduct or is temporarily unable to form any intent to cause **bodily injury** or property damage;
 - c. such **bodily injury** or property damage is of a different kind or degree than intended or reasonably expected; or
 - d. such **bodily injury** or property damage is sustained by a different person than intended or reasonably expected.
- This exclusion applies regardless of whether an **insured person** is actually charged with, or convicted of, a crime.
- This exclusion precludes coverage for all **insured persons** under the policy regardless of whether the person seeking coverage participated in any way in the intentional or criminal acts or omissions.
11. **bodily injury** or property damage which would also be covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
 12. **bodily injury** or property damage arising out of the participation in any prearranged, organized, or spontaneous:
 - a. racing contest,
 - b. speed contest, or
 - c. use of an **auto** at a track or course designed or used for racing or high performance driving,or in practice or preparation for any contest or use of this type.

Financial Responsibility

When this policy is certified as proof under any motor vehicle financial responsibility law, the insurance under this part of the policy will comply with the provisions of that law.

Limits Of Liability

The limits shown on the Policy Declarations are the maximum **we** will pay for any single accident involving an **insured auto**. The limit stated for each person for **bodily injury** is **our** total limit of liability for all damages because of **bodily injury** sustained by one person, including all damages sustained by anyone else as a result of that **bodily injury**. Subject to the limit for each person, the limit stated for each accident is **our** total limit of liability for all damages for **bodily injury**. For property damage, the limit stated for each

accident is **our** total limit of liability for property damage sustained in any single accident involving an **insured auto**.

The liability limits shown on the Policy Declarations may not be added to the limits for similar coverage applying to other motor vehicles to determine the limit of insurance coverage available. This applies regardless of the number of:

1. policies involved;
2. vehicles involved;
3. persons covered;
4. claims made;
5. vehicles or premiums shown on the Policy Declarations; or
6. premiums paid.

THIS MEANS THAT NO STACKING OR AGGREGATION OF AUTOMOBILE LIABILITY INSURANCE—BODILY INJURY AND PROPERTY DAMAGE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **autos** shown on the Policy Declarations is involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **auto** will apply.

An **auto** and attached trailer are considered one **auto**. Also, an **auto** and a mounted camper unit, topper, cap, or canopy are considered one **auto**.

If There Is Other Insurance

If more than one policy applies on a primary basis to an accident involving **your insured auto**, **we** will bear **our** proportionate share with other collectible liability insurance.

If an **insured person** is using a **substitute auto** or **non-owned auto**, **our** liability insurance will be excess over other collectible insurance. However, if an **insured person** is operating an **insured auto** which is owned by a person, firm, or corporation in the business of selling, leasing, repairing, servicing, delivering, testing, road testing, parking, or storing motor vehicles, **our** liability insurance will apply on a primary basis.

Additional Interested Parties

If one or more additional interested parties are listed on the Policy Declarations, the Automobile Liability Insurance

coverages of this policy will apply to those parties as insureds.

We will mail or deliver at least 10 days notice to an additional interested party if **we** cancel or make any changes to this policy which adversely affect that party's interest. **Our** notice will be considered properly given if mailed to the last known address of the additional interested party.

The naming of an additional interested party does not increase that party's right to recovery under this policy, nor does it impose an obligation for the payment of premiums under this policy.

Part 2—Automobile Medical Payments—Coverage CC

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Automobile Medical Payments, **Allstate** will pay to or on behalf of an **insured person** all reasonable expenses actually incurred by the **insured person** for necessary medical treatment, medical services or medical products actually provided to the **insured person** by a state licensed health care provider. Ambulance, hospital, medical, surgical, X-ray, dental, orthopedic and prosthetic devices, professional nursing services, pharmaceuticals, eyeglasses, hearing aids, and funeral expenses are covered. Payment will be made only when **bodily injury** is caused by a motor vehicle accident.

The treatment, services, or products must be rendered within one year after the date of the accident. This will be extended to five years if the amount of insurance shown on the Policy Declarations for this coverage is more than \$5,000.

This coverage does not apply to any person to the extent that the treatment is covered under any workers' compensation law.

Additional Definitions For Part 2

Exclusions—What Is Not Covered

This coverage does not apply to **bodily injury**:

 - b. such **insured person** is temporarily insane or temporarily lacks the mental capacity to control or govern his or her conduct or is temporarily unable to form any intent to cause **bodily injury**;
 - c. such **bodily injury** is of a different kind or degree than intended or reasonably expected; or
 - d. such **bodily injury** is sustained by a different person than intended or reasonably expected.
- This exclusion applies regardless of whether or not an **insured person** is actually charged with, or convicted of, a crime.
- This exclusion precludes coverage for all **insured persons** under the policy regardless of whether the person seeking coverage participated in any way in the intentional or criminal acts or omissions.
2. to **you** or a **resident** relative while in, on, getting into or out of, or getting on or off of, an **auto** owned by **you** or a **resident** relative which is not insured for this coverage.

 8. to any person or dependent of a person to the extent that such person or dependent has received benefits provided by the U.S. government under a contract of employment including past or present military duty.
- We** will reimburse the U.S. government, as required in Chapter 55 of Title 10 of the U.S. Code, for expenses covered under this part of the policy when it incurs such expenses on behalf of an **insured person** through a facility of the uniformed services.

Limit Of Liability

The limit shown on the Policy Declarations is the maximum **we** will pay for all expenses incurred by or for each person as the result of any one **motor vehicle** accident.

The Automobile Medical Payments Coverage limit of liability shown on the Policy Declarations may not be added to the

limit(s) for similar coverage applying to other **autos** or **motor vehicles** to determine the limit of insurance coverage available. This applies regardless of the number of:

1. policies involved;
2. vehicles involved;
3. persons covered;
4. claims made;
5. vehicles or premiums shown on the Policy Declarations; or
6. premiums paid.

THIS MEANS THAT NO STACKING OR AGGREGATION OF AUTOMOBILE MEDICAL PAYMENTS WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

If none of the **autos** shown on the Policy Declarations is involved in the accident, the highest limit of liability shown on the Policy Declarations for any one **auto** will apply.

If an **insured person** dies as the result of a covered **motor vehicle** accident, **we** will pay the least of the following as a funeral expenses benefit:

1. \$2,000; or
2. the Automobile Medical Payments Coverage limit of liability stated on the Policy Declarations; or
3. the remaining portion of the Automobile Medical Payments Coverage limit of liability not expended for other covered medical expenses.

This funeral service expenses benefit does not increase, and will not be paid in addition to, the limit of liability shown on the Policy Declarations for Automobile Medical Payments Coverage. This benefit is payable to the deceased **insured person's** spouse if a **resident** of the same household at the time of the accident. However, if the deceased is a minor, the benefit is payable to either parent who is a **resident** of the same household at the time of the accident. In all other cases, the benefit is payable to the deceased **insured person's** estate.

There will be no duplication of payments made under the Bodily Injury Liability Coverage and Automobile Medical Payments Coverage of this policy. All payments made to or on behalf of any person under this coverage will be

considered as advance payments to that person. Any damages payable under the Bodily Injury Liability Coverage of this policy will be reduced by that amount.

Unreasonable Or Unnecessary Medical Expenses

If the **insured person** incurs medical expenses which **we** deem to be unreasonable or unnecessary, **we** may refuse to pay for those medical expenses and contest them.

If the **insured person** is sued by a medical services provider because **we** refuse to pay medical expenses which **we** deem to be unreasonable or unnecessary, **we** will pay resulting defense costs, and pay any resulting judgment against the **insured person**, up to the Automobile Medical Payments policy limit. **We** will choose the counsel. The **insured person** must cooperate with **us** in the defense of any claim or lawsuit. If **we** ask the **insured person** to attend hearings or trials, **we** will pay up to \$50 per day for loss of wages or salary. **We** will also pay other reasonable expenses incurred at **our** request.

No **insured person** may sue **Allstate** for medical expenses **Allstate** deems unreasonable or unnecessary unless:

1. the **insured person** has paid the entire disputed amount to the medical services provider; or
2. the medical services provider has expressly threatened or initiated collection activity toward the **insured person**.

If There Is Other Insurance

This coverage will be excess over any other collectible insurance, including, but not limited to, individual, blanket or group accident, disability or hospitalization insurance or any medical or surgical reimbursement plan. When this coverage applies to a **substitute auto** or **non-owned auto**, **Allstate** will pay only after all other collectible **auto** medical insurance has been exhausted. When this coverage applies to a **replacement auto** or **additional auto**, this policy will not apply if **you** have other collectible **auto** medical insurance.

Part 3—Uninsured Motorists Insurance—Coverage SS

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Uninsured Motorists Insurance, **we** will pay damages which an **insured person** is legally entitled to recover from the owner or operator of an **uninsured auto** because of **bodily injury** sustained by an **insured person**.

The **bodily injury** must be caused by accident and arise out of the ownership, maintenance, or use of an uninsured **auto**. **We** will not pay any punitive or exemplary damages, fines or penalties under Uninsured Motorists Insurance.

An Uninsured Auto Is:

1. a **motor vehicle** which has no bodily injury liability bond or insurance policy in effect at the time of the accident.
2. a **motor vehicle** covered by a bond or insurance policy which doesn't provide at least the minimum financial security requirements of the state in which **your** insured **auto** is principally garaged.
3. a **motor vehicle** for which the insurer, other than **Allstate** under this or any other policy, denies coverage or becomes insolvent.
4. a hit-and-run **motor vehicle** which causes **bodily injury** to an **insured person**, whether or not physical contact was made with the **insured person** or with a vehicle occupied by that person. The identity of the operator and the owner of the vehicle must be unknown. The accident must be reported within 24 hours to the proper authorities. **We** must be notified within 30 days. If the **insured person** was occupying a vehicle at the time of the accident, **we** have a right to inspect it.

An Uninsured Auto Is Not:

1. a **motor vehicle** that is lawfully self-insured.
2. a **motor vehicle** which is insured under the Automobile Liability Insurance of this policy.

Exclusions—What Is Not Covered

Allstate will not pay any damages an **insured person** is legally entitled to recover because of:

4. **bodily injury** or property damage arising out of the participation in any prearranged, organized, or spontaneous:
 - a. racing contest,
 - b. speed contest, or
 - c. use of an **auto** at a track or course designed or used for racing or high performance driving,or in practice or preparation for any contest or use of this type.

Limits Of Liability

The coverage limit shown on the Policy Declarations for:

1. "each person" is the maximum that **we** will pay for all damages arising out of **bodily injury** to one person in any one **motor vehicle** accident, including all damages sustained by anyone else as a result of that **bodily injury**.
2. "each accident" is the maximum **we** will pay for all damages arising out of **bodily injury** in any one **motor vehicle** accident. This limit is subject to the limit for "each person."

If none of the **autos** shown on the Policy Declarations is involved in the accident, the highest limits of liability shown on the Policy Declarations for any one **auto** will apply.

Damages payable under Uninsured Motorists Insurance shall be reduced by all amounts paid or payable by or on behalf of any person or organization that may be legally responsible for the **bodily injury** for which the payment is made, including, but not limited to, any amounts paid under the bodily injury liability coverage of this or any other insurance policy, but this does not include any amounts paid or payable under:

1. Automobile Medical Payments Coverage, Part 2; or
2. Any workers' compensation law, disability benefits law or similar law.

Non-Duplication Of Benefits

No injured person will recover duplicate benefits for the same elements of loss under this or any other uninsured motorists insurance, including approved plans of self-insurance.

Trust Agreement

When **we** pay any person under this coverage:

1. **we** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. all rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. **insured persons**, if **we** ask, must take proper action in their own name to recover damages from any responsible party or insurer. **We** will select the attorney, and pay all related costs and fees.

We will not ask the **insured person** to sue the insured of an insolvent insurer.

Payment Of Loss By Allstate

Any amount due is payable to the **insured person**, to the parent or guardian of an **insured person** who is an injured minor, or to the spouse of any **insured person** who dies. However, **we** may pay any person lawfully entitled to recover the damages.

Legal Actions

No one may sue **us** under this coverage unless there is full compliance with all the policy terms and conditions.

If, at any time before **we** pay for the loss, an **insured person** institutes a suit against anyone believed responsible for the accident, **we** must be given a copy of the summons and complaint or other process. If a suit is brought without **our** written consent, **we** aren't bound by any resulting judgment.

Part 4—Underinsured Motorists Insurance—Coverage SU

General Statement Of Coverage

If a premium is shown on the Policy Declarations for Underinsured Motorists Insurance, **we** will pay damages which an **insured person** is legally entitled to recover from the owner or operator of an **underinsured auto** because of **bodily injury** sustained by an **insured person**.

The **bodily injury** must be caused by accident and arise out of the ownership, maintenance, or use of an **underinsured auto**. **We** will not pay any punitive or exemplary damages, fines or penalties under Underinsured Motorists Insurance.

An Underinsured Auto Is:

a **motor vehicle** which has liability protection in effect and applicable at the time of the accident in an amount equal to or greater than the minimum financial security requirements in the state of Missouri, but less than the damages the **insured person** is legally entitled to recover.

An Underinsured Auto Is Not:

1. a **motor vehicle** that is lawfully self-insured.
2. an **auto** which is insured for Liability Coverage under Part 1 of this policy.

 - b. any person while in, on, getting into or out of, or getting on or off of, an **insured auto** with **your** permission.

- c. any other person who is legally entitled to recover because of **bodily injury to you, a resident** relative, or an occupant of **your** insured **auto** with **your** permission.
2. "**Motor Vehicle**" means a land motor vehicle not weighing more than 20,000 pounds, or attached trailer, other than:

 - c. a vehicle when used as a residence or premises.

Exclusions—What Is Not Covered

This coverage does not apply to:

1. any person who makes a settlement with the underinsured motorist without our written consent. This will include any payment made by any person on behalf of the underinsured motorist.
2. any person while in, on, getting into or out of, getting on or off of, a vehicle **you** own which is not insured for this coverage.
3. any claim that directly or indirectly benefits any workers' compensation or disability benefits insurer. This includes a self-insurer.
4. **bodily injury** arising out of the use of an **insured auto** while used to carry persons or property for a charge, or the use of any **auto** an **insured person** is driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
5. **bodily injury** or property damage arising out of the participation in any prearranged, organized, or spontaneous:
 - a. racing contest,
 - b. speed contest, or
 - c. use of an **auto** at a track or course designed or used for racing or high performance driving,or in practice or preparation for any contest or use of this type.

Limits Of Liability

The coverage limit shown on the Policy Declarations for:

1. "each person" is the maximum that **we** will pay for all damages arising out of **bodily injury** to one person in any

one **motor vehicle** accident, including all damages sustained by anyone else as a result of that **bodily injury**.

2. "each accident" is the maximum **we** will pay for all damages arising out of **bodily injury** in any one **motor vehicle** accident. This limit is subject to the limit for "each person."

These limits are the maximum **Allstate** will pay for any one **motor vehicle** accident regardless of the number of:

1. premiums paid;
2. premiums shown on the Policy Declarations;
3. claims made;
4. vehicles or persons shown on the Policy Declarations; or
5. vehicles involved in the accident.

THIS MEANS THAT NO STACKING OR AGGREGATION OF UNDERINSURED MOTORISTS INSURANCE WHATSOEVER WILL BE ALLOWED BY THIS POLICY.

The Underinsured Motorists Coverage limits apply to each **insured auto** as shown on the Policy Declarations.

Damages payable will be reduced by all amounts paid by the owner or operator of the **underinsured auto** or anyone else responsible. This includes all sums paid under the bodily injury liability coverage of this or any other policy.

We are not obligated to make any payment for **bodily injury** under Underinsured Motorists Insurance which arises out of the use of an **underinsured auto** until after the limit of liability for all liability protection in effect and applicable at the time of the accident has been exhausted by payments of judgments or settlements.

If There Is Other Insurance

If the **insured person** was in, on, getting into or out of, or on or off of, a vehicle which is insured for underinsured motorists or similar type coverage under another policy, coverage under Underinsured Motorists Coverage, Part 4 of this policy, will be excess. This means that when the **insured person** is legally entitled to recover damages in excess of the other policy limit, **we** will pay up to **your** policy limit, but only after the other insurance has been exhausted. No **insured person** may recover duplicate benefits for the same elements of loss under this coverage and the other insurance.

If more than one policy applies to the accident on a primary basis, the total benefits payable to any one person will not exceed the maximum benefits payable by the policy with the highest limit of underinsured motorists coverage. This will apply no matter how many **autos** or auto policies may be involved whether written by **Allstate** or another company. **We** will bear our proportionate share with other underinsured motorists coverage.

Non-Duplication Of Benefits

No injured person will recover duplicate benefits for the same elements of loss under this or any other underinsured motorists insurance, including approved plans of self-insurance.

Trust Agreement

When **we** pay any person under this coverage:

1. **we** are entitled to repayment of amounts paid by **us** and related collection expenses out of the proceeds of any settlement or judgment that person recovers from any responsible party or insurer.
2. all rights of recovery against any responsible party or insurer must be maintained and preserved for **our** benefit.
3. **insured persons**, if **we** ask, must take proper action in their name to recover damages from any responsible party or insurer. **We** will select the attorney. **We** will pay all related costs and fees.

We will not ask the **insured person** to sue the insured of an insolvent insurer, except for the amount which is in excess of the limits of liability of the policy of the insolvent insurer.

Payment Of Loss By Allstate

Any amount due is payable to the **insured person**, to the parent or guardian of an **insured person** who is an injured minor, or to the spouse of any **insured person** who dies. However, **we** may pay any person lawfully entitled to recover the damages.

Legal Actions

No one may sue **us** under this coverage unless there is full compliance with all the policy terms.

If, at any time before **we** pay for the loss, an **insured person** institutes a suit against anyone believed responsible for the accident, **we** must be given a copy of the summons and

complaint or other process. If a suit is brought without **our** written consent, **we** aren't bound by any resulting judgment.

If We Cannot Agree

If the **insured person** and **we** don't agree on that person's right to receive damages or on the amount, then upon mutual consent, the disagreement will be settled by arbitration. If the **insured person** and **we** do not agree to arbitrate, then the disagreement will be resolved in a court of competent jurisdiction. The arbitrators will not have the power to decide any dispute regarding the nature or the amount of coverage provided by the policy or claims for damages outside the terms of the policy, including, but not limited to, claims for bad faith, fraud, misrepresentation, punitive or exemplary damages, attorney fees and/or interest. Arbitration will take place under the rules of the American Arbitration Association.

If either party objects to the use of the rules of the American Arbitration Association, the following alternative method of arbitration will be used. The **insured person** will select one arbitrator. **We** will select another. The two arbitrators will select a third. If they can't agree on a third arbitrator within 30 days, the judge of the court of record in the county of jurisdiction where arbitration is pending will appoint the third arbitrator. The written agreement of any two arbitrators will determine the issues. The **insured person** will pay the arbitrator that person selects. **We** will pay the one **we** select. The expenses of the third arbitrator and all other expenses of arbitration will be shared equally. However, attorney fees and fees paid to medical and other expert witnesses are not considered arbitration expenses. These costs will be paid by the party incurring them.

Regardless of the method of arbitration, any award not exceeding the limits of the Financial Responsibility law of Missouri will be binding and may be entered as a judgment in a proper court.

Regardless of the method of arbitration, when any arbitration award exceeds the Financial Responsibility limits of Missouri, either party has a right to trial on all issues in a court of competent jurisdiction. This right must be exercised within 60 days of the award. Costs, including attorney fees, are to be paid by the party incurring them.

- ### Payment Of Loss By Allstate
- Allstate** may pay for the loss in money, or may repair or replace the damaged or stolen property at **our** option. **We** may, at any time before the loss is paid or the property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the Policy Declarations, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.
- ### Right To Appraisal
- Both **you** and **Allstate** have a right to demand an appraisal of the loss. Each will appoint and pay a qualified appraiser. Other appraisal expenses will be shared equally. The two appraisers, or a judge of a court of record, will select a third umpire. Each appraiser will state the actual cash value and the amount of loss. If they disagree, they'll submit their differences to the umpire. A written agreement by any two of these three persons will determine the amount of the loss.
- ### Limits Of Liability
- Allstate's** limit of liability is the least of:
1. the actual cash value of the property or damaged part of the property at the time of loss, which may include a deduction for depreciation; or

2. the cost to repair or replace the property or part to its physical condition at the time of loss using parts produced by or for the vehicle's manufacturer, or parts from other sources, including, but not limited to, non-original equipment manufacturers, subject to applicable state laws and regulations; or
3. \$500, if the loss is to a covered trailer not described on the Policy Declarations.

Any applicable deductible amount is then subtracted.

If **Allstate**, at its option, elects to pay for the cost to repair or replace the property or part, **Allstate's** liability does not include any decrease in the property's value, however measured, resulting from the loss and/or repair or replacement. If repair or replacement results in the betterment of the property or part, **you** may be responsible for the amount of the betterment.

The maximum **Allstate** will pay for a covered loss to any **custom parts or equipment** is \$1000, unless otherwise excluded.

An **auto** and attached trailer are considered separate **autos**, and **you** must pay the deductible, if any, on each. Only one deductible will apply to an **auto** with a mounted **camper unit**. If unmounted, a separate deductible will apply to the **auto** and **camper unit**.

When more than one coverage is applicable to the loss, **you** may recover under the broadest coverage but not both. However, Coverage ZA, if purchased, will provide coverage in excess of the limit for loss to **sound systems** provided under Coverage HH.

If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represent.

When this insurance covers a **substitute auto** or **non-owned auto**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a **replacement auto** or **additional auto**, this policy won't apply if **you** have other collectible insurance.

We may cancel this policy according to its terms. **We** will notify the Lienholder and/or Lessor at least ten days prior to the date of cancellation that the cancellation is effective as to the interest of the Lienholder and/or Lessor.
