Allstate Indemnity Company The Company Named in the Policy Declarations

A Stock Company - Home Office: Northbrook, Illinois 60062

General

This policy is a legal contract between **you** and **us**. A coverage applies only when a premium for it is shown on the declarations page. If more than one **motor home** is insured, premiums will be shown for each **motor home**. If **you** pay the premiums when due and comply with the policy terms, **Allstate**, relying upon the declarations, makes the following agreements with **you**.

When And Where The Policy Applies

Your policy applies only during the policy period. During this time, it applies to losses to the **motor home**, accidents and occurrences within the United States of America, its territories or possessions or Canada, or between their ports. The policy period is shown on the declarations page.

Insurance Coverage In Mexico

Motor home accidents in Mexico are subject to the laws of Mexico—**NOT** the United States. Unlike the United States, Mexico considers some motor home accidents a **CRIMINAL OFFENSE** as well as a civil matter.

In some cases, the coverage under this policy may **NOT** be recognized by Mexican authorities and **we** may not be allowed to provide any insurance coverage at all in Mexico. For **your** protection **you** should consider purchasing **motor home** coverage from a licensed Mexican insurance company before driving into Mexico.

However, when possible, coverage will be afforded for an insured **motor home** while that **motor home** is within 75 miles of the United States border and only for a period not to exceed ten days after each separate entry into Mexico.

If loss or damage occurs which may require repair of the insured **motor home** or replacement of any part(s) while the **motor home** is in Mexico, the basis for adjustment of the claim will be as follows: any amount payable resulting from any loss or damage occurring in Mexico shall be payable in the United States. **We** will not be liable for more than the cost of having the repairs or replacement parts made at the nearest point in the United States where the repairs or replacements can be made. The costs for towing, transportation and salvage operations of the **motor home** while within Mexico are not covered under this policy.

Changes

Premium Changes

The premium for each **motor home** is based on information **Allstate** has received from **you** or other sources. **You** agree to cooperate with **us** in determining if this information is correct, if it is complete, and if it changes during the policy period. **You** agree that if this information changes or is incorrect or incomplete, **we** may adjust **your** premium accordingly during the policy period.

Changes which result in a premium adjustment are contained in **our** rules. These include, but are not limited to:

1. **motor homes** insured by the policy, including changes in use.
2. drivers residing in **your** household, their ages or marital statuses.
3. coverages or coverage limits.
4. rating territory.
5. discount eligibility.

Any calculation or adjustment of **your** premium will be made using the rules, rates and forms in effect, and on file, if required, for **our** use in **your** state.

Coverage Changes

When **Allstate** broadens a coverage during the policy period without additional charge, **you** have the new feature if **you** have the coverage to which it applies. The new feature applies on the date the coverage change is effective in **your** state. Otherwise, the policy can be changed only by endorsement. Any change in coverage will be made using the rules, rates and forms in effect, and on file, if required, for **our** use in **your** state.

Duty To Report Policy Changes

Your policy was issued in reliance on the information **you** provided concerning **motor homes** and persons insured by the policy. To properly insure **your motor home**, **you** should promptly notify **us** when **you** change **your** address or whenever any **resident** operators insured by **your** policy are added or deleted.

You must notify **us** within 30 days when **you** acquire an additional or replacement **motor home** or if **your motor home** becomes operational. If **you** don't, certain coverages of this policy may not apply.

Combining Limits Of Two Or More Motor Homes Prohibited

(This provision does not apply to Part 3 Section A—Uninsured Motorists Insurance).

If **you** have two or more **motor homes** insured in **your** name and one of these **motor homes** is involved in an accident, only the coverage limits shown on the declarations page for that **motor home** will apply. When **you** have two or more **motor homes** insured in **your** name and none of them is involved in the accident, **you** may choose any single **motor home** shown on the declarations page and, subject to all policy provisions, the coverage limits applicable to that **motor home** will apply.

The limits available for any other **motor home** covered by the policy will not be added to the coverage for the involved or chosen **motor home**.

Conformity To State Statutes

When the policy provisions are in conflict with the statutes of the state in which the insured **motor home** is principally garaged, the provisions are amended to conform to such statutes.

Transfer

This policy can't be transferred to anyone without **our** written consent. However, if **you** die, coverage will be provided until the end of the policy period for:

1. **your** legal representative while acting as such, and
2. persons covered on the date of **your** death.

Payment

If **your** payment of the initial premium amount due is by check, draft, or any remittance other than cash, such payment is conditional upon the check, draft, or other remittance being honored upon presentation. If such check, draft, or remittance is not honored upon presentation, this policy shall be deemed void from its inception. This means that **Allstate** will not be liable under this policy for any claims or damages which would otherwise be covered had the check, draft or remittance been honored upon presentation.

Termination

If **we** offer to renew **your** policy and **your** required premium payment isn't received on or before the end of the then current policy period, **your** policy will terminate on the expiration date of the then current policy period.

Non-Renewal

If **we** don't intend to renew **your** policy, **we** will mail **you** notice at least 30 days before the end of the policy period.

Fraud Or Misrepresentation

Your policy was issued in reliance on the information **you** provided on **your** Motor Home Insurance Application concerning **motor homes** and persons insured by the policy. **You** agree that if **your** policy was obtained through material misrepresentation, fraud or concealment of material facts, or if any material misrepresentation was made on **your** Motor Home Insurance Application, **Allstate** has the right to void or rescind **your** policy.

Cancellation

You may cancel this policy by writing **us** the future date **you** wish to stop coverage.

Allstate may cancel part or all of this policy by mailing notice to **you** at **your** last known address. If **we** cancel because **you** didn't pay the premium, the date of cancellation will be at least 10 days after the date of mailing. If **we** cancel for any other reason other than nonpayment of premium, notice will be as follows:

1. During the first 60 days the original policy is in effect, **we** will give **you** at least 10 days notice of cancellation.
2. After the first 60 days **we** will give **you** at least 30 days notice if **we** cancel because the driver's license of the named insured has been suspended or revoked at any time during the policy period, and there is only one named insured.

Proof of mailing the notice will be proof of notice.

A refund, if due, will be in proportion to the time **your** policy has been in effect. Cancellation will be effective even if the refund is not made immediately.

After **your** policy has been in effect 61 days, **Allstate** won't cancel or reduce **your** coverage during the policy period unless:

1. **you** don't pay the premium when it's due;
2. **Allstate** has mailed notice within the first 60 days that **we** don't intend to continue the policy;
3. the driver's license of the named insured has been suspended or revoked at any time during the policy period, and there is only one named insured.

Missouri Guaranty Association Endorsement

Missouri law requires us to inform you that the Missouri Property and Casualty Guarantee Association does not cover policyholder claims of insolvent insurers exceeding \$300,000.

The Missouri Property and Casualty Insurance Guaranty Association Act contains the following limitations:

1. Claims covered by the Act do not include a claim by or against an insured of an insolvent insurer if that insured has a net worth of \$25 million on the date the insurer becomes insolvent.
2. The Association's obligation includes only the amount of each covered claim which is greater than \$100 and less than \$300,000. However, the Association will not:
 - a. be obligated to an insured or claimant in excess of the limits of liability of the policy from which the claim arises; or
 - b. return to the insured any unearned premium in excess of \$10,000.

We will pay other reasonable expenses incurred at **our** request.

2. court costs for defense.
3. interest accruing on damages awarded, including prejudgment interest, if any. **We** will pay this interest only until **we** have paid, offered, or deposited in court the amount for which **we** are liable under this policy. **We** will only pay interest on damages not exceeding **our** limits of liability.
4. premiums on appeal bonds and on bonds to release attachments, but not in excess of **our** limit of liability. **We** aren't required to apply for or to furnish these bonds.

We will repay an insured person for

1. the cost of any bail bonds required due to an accident or traffic law violation involving the use of the insured **motor home**. **We** won't pay more than \$300 per bond. **We** aren't required to apply for or to furnish these bonds.
2. any expense incurred for first aid to others at the time of a **motor home** accident involving the insured **motor home**.

Part 1—Motor Home Liability Insurance

Bodily Injury—Coverage AA

Property Damage—Coverage BB

Allstate will pay those damages which an insured person is legally obligated to pay because of:

1. **bodily injury** sustained by any person; and
2. damage to, or destruction of, property.

Under these coverages, **your** policy protects an insured person from liability for damages arising out of the ownership, maintenance or use, loading or unloading of an insured **motor home**.

We will defend an insured person sued as the result of a covered **motor home** accident. **We** will choose the counsel. **We** may settle any claim or suit if **we** believe it is proper. **We** have no duty to defend any suit or settle any claim not covered by this policy.

Additional Payments Allstate Will Make

When **we** defend an insured person under this part, **we** will pay:

1. up to \$50 a day for loss of wages or salary if **we** ask that person to attend hearings or trials to defend against a bodily injury suit. **We** won't pay for loss of other income.

Insured Persons

1. While using **your** insured **motor home**:
 - a) **you**,
 - b) any **resident**, and
 - c) any other person using it with **your** permission.
2. While using a non-owned **motor home**:
 - a) **you**, and
 - b) any **resident** relative using a **motor home**.
3. Any other person or organization liable for the use of an insured **motor home** provided:
 - a) the **motor home** is not owned or hired by the person or organization,
 - b) the use is by an insured person under 1. or 2. above, and
 - c) only for that insured person's acts or omissions.

Insured Motor Homes

1. Any **motor home** described on the declarations page. This includes the **motor home** you replace it with.
2. An additional **motor home** you become the owner of during the policy period. This **motor home** will be

covered if **we** insure all other **motor homes you** own. **You** must, however, tell **us** within 30 days of acquiring the **motor home**. **You** must pay any additional premium.

3. A substitute **motor home**, not owned by **you** or a **resident**, being temporarily used while **your** insured **motor home** is being serviced or repaired, or if **your** insured **motor home** is stolen or destroyed.
4. A non-owned **motor home** used by **you** or a **resident** relative with the owner's permission. This **motor home** must not be available or furnished for the regular use of an insured person.
5. A trailer while attached to an insured **motor home**. The trailer must be designed for use with a **motor home**.

3. **"Motor Home"**—means a self-propelled **motor vehicle** equipped, designed or used as a living quarters.

Exclusions—What Is Not Covered

Allstate will not pay for any damages an insured person is legally obligated to pay because of:

1. **bodily injury** or property damage arising out of the use of **your** insured **motor home** while used to carry persons or property for a charge, or any **motor home you** are driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
2. **bodily injury** or property damage arising out of business operations such as repairing, servicing, testing, washing, parking, storing, or the selling of **motor homes** or other vehicles. However, coverage does apply to **you, resident** relatives, partners or employees of the partnership of **you** or a **resident** relative when using **your** insured **motor home**.
3. **bodily injury** or property damage arising out of the use of a non-owned **motor home** in any business or occupation of an insured person. However, this exclusion does not apply while **you, your** chauffeur or domestic servant are using a **motor home** or trailer.
4. **bodily injury** or property damage arising out of the ownership, maintenance or use of a **motor vehicle** with less than four wheels.
5. **bodily injury** to an employee of any insured person arising in the course of employment.
This exclusion does not apply to **your** domestic employee who is not required to be covered by a workers' compensation law or similar law.
6. **bodily injury** to a co-worker injured in the course of employment. This exclusion does not apply to **you**.
7. damage to or destruction of property an insured person owns, transports, is in charge of, or rents. However, a private residence or a garage rented by that person is covered.
8. **bodily injury** or property damage intended by, or which may reasonably be expected to result from, the intentional or criminal acts or omissions of any insured person. This exclusion applies even if:
 - a) such insured person lacks the mental capacity to govern his or her conduct;
 - b) such **bodily injury** or property damage is of a different kind than intended or reasonably expected; or
 - c) such **bodily injury** or property damage is sustained by a different person than intended or reasonably expected.

This exclusion applies regardless of whether such insured person is actually charged with, or convicted of, a crime.

9. **bodily injury** or property damage which would also be covered under nuclear energy liability insurance. This applies even if the limits of that insurance are exhausted.
10. **bodily injury** or property damage arising out of any prearranged or organized racing or speed contest or in practice of preparation for any contest of this type.
11. **bodily injury** to any person related to an insured person by blood, marriage or adoption and residing in that person's household. This exclusion applies only to the extent that the limit of liability for this coverage exceeds the minimum limit of liability required by the financial responsibility law of Missouri.
12. **bodily injury** or property damage sustained while occupying **your motor home** as a permanent or primary residence.
13. **bodily injury** or property damage sustained while **your motor home** is rented, leased or loaned for a charge to any person or organization other than **you**. This exclusion does not apply if an additional premium has been paid to cover the rental of **your motor home** to others.

Financial Responsibility

When this policy is certified as proof under any motor vehicle financial responsibility law, this policy will comply with the provisions of that law.

Limits Of Liability

The limits shown on the declarations page are the maximum **we** will pay for any single accident involving any insured **motor home**. The limit stated for each person for **bodily injury** is **our** total limit of liability for all damages because of **bodily injury** sustained by one person in any single accident involving an insured **motor home** including all damages sustained by anyone else as a result of that **bodily injury**. Subject to the limit for each person, the limit stated for each accident is **our** total limit of liability for all damages for **bodily injury** sustained by two or more persons in any single accident involving an insured **motor home**. For property damage, the limit stated for each accident is **our** total limit of liability for property damage sustained in any single accident involving an insured **motor home**.

The liability limits apply to each insured **motor home** as shown on the declarations page. The insuring of more than one person or **motor home** under this policy will not increase **our** liability limits beyond the amount shown for any one **motor home**, even though a separate premium is charged for each **motor home**. The limits also won't be increased if **you** have other motor home insurance policies that apply.

There will be no duplication of payments made under the Bodily Injury Liability and Uninsured Motorists Coverage of this policy.

A **motor home** and attached trailer are considered one **motor home**.

If There Is Other Insurance

If an insured person is using a substitute **motor home** or non-owned **motor home**, **our** liability insurance will be excess over other collectible insurance. If more than one policy applies on a primary basis to an accident involving **your** insured **motor home**, **we** will bear **our** proportionate share with other collectible liability insurance.

Assistance And Cooperation

At **our** request, an insured person will:

- a) cooperate with **us** and assist **us** in any matter concerning a claim or suit;
- b) help **us** enforce any right of recovery against any person or organization who may be liable to an insured person;
- c) attend any hearing or trial;
- d) assist **us** by collecting and giving evidence and obtaining witnesses.

Any insured person will not voluntarily pay any money, assume any obligations, or incur any expense, other than for first aid to others at the time of the loss as provided for in this policy.

Action Against Allstate

No insured person may sue **us** under this coverage unless there is full compliance with all the policy terms.

If liability has been determined by judgment after trial, or by written agreement among the insured, the other person, and **us**, then whoever obtains this judgment or agreement against an insured person, may sue **us** up to the limits of this policy. However, no one has the right to join **us** in a suit to determine legal responsibility.

Bankruptcy Or Insolvency

The bankruptcy or insolvency of an insured person or that person's estate won't relieve **us** of any obligation.

Additional Interested Parties

If one or more additional parties are listed on the Policy Declarations, the Liability Insurance coverages of this policy will apply to the parties as insureds.

We will provide at least 10 days written notice to an additional interested party if we cancel or make any change to this policy which adversely affects that party's interest. **Our** notice will be considered properly given if mailed to the additional interested party's address shown on the Policy Declarations.

The naming of an additional interested party does not increase that party's rights to recovery under this policy nor does it impose an obligation for the payment of premiums under this policy.

What To Do In Case Of A Motor Home Accident Or Claim

In the event of a **motor home** accident or claim, **you** must do the following:

- a) Promptly notify **us** or **our** agent, stating:
 - 1) **your** name and policy number;
 - 2) the date, the place and the circumstances of the accident or claim;
 - 3) the name and address of anyone who might have a claim against an insured person;
 - 4) the names and addresses of any witnesses.
- b) Promptly send **us** any legal papers relating to the loss.

Part 2—Motor Home Medical Payments—Coverage CC

Allstate will pay to or on behalf of an insured person all reasonable expenses actually incurred by an insured person for necessary medical treatment, services, or products actually provided to the insured person within one year of the accident. Payments will be made only when the **bodily injury** is caused by a **motor home** accident. Ambulance, hospital, medical, surgical, x-ray, dental, orthopedic, and prosthetic devices, professional nursing services, pharmaceuticals, eyeglasses, hearing aids, and funeral service expenses are covered.

This coverage does not apply to any person to the extent that the treatment is covered under any workers' compensation law.

Insured Persons

1. **You** and any **resident** relative who sustains **bodily injury** while in, on, getting into or out of, or when struck by, a **motor home** or trailer. The use of a non-owned **motor home** must be with the owner's permission.
2. Any other person who sustains **bodily injury** while in, on, getting into or out of:
 - a) **your** insured **motor home** while being used by **you**, a **resident** relative, or any other person with **your** permission.
 - b) a non-owned **motor home** if the injury results from **your** operation or occupancy.
 - c) a non-owned **motor home** if the injury results from the operation on **your** behalf by **your** private chauffeur or domestic servant.
 - d) a non-owned **motor home** or trailer if the injury results from the operation or occupancy by a **resident** relative.

The use of non-owned **motor homes** must be with the owner's permission.

Insured Motor Homes

1. Any **motor home** described on the declarations page. This includes the **motor home** **you** replace it with.
2. An additional **motor home** **you** become the owner of during the policy period. This **motor home** will be covered if **we** insure all other **motor homes** **you** own. **You** must, however, tell **us** within 30 days of acquiring the **motor home**. **You** must pay any additional premium.
3. A substitute **motor home**, not owned by **you** or a **resident**, temporarily used while **your** insured **motor home** is being serviced or repaired, or if **your** insured **motor home** is stolen or destroyed.
4. A non-owned **motor home** used with the owner's permission. This **motor home** must not be available or furnished for the regular use of an insured person.
5. A trailer while attached to an insured **motor home**. The trailer must be designed for use with a **motor home**.

Definitions

1. **"Allstate," "We," "Us," or "Our"**—means the company shown on the declarations page of the policy.
2. **"Bodily Injury"**—means bodily injury, sickness, disease or death.
3. **"Motor Home"**—means a self-propelled **motor vehicle** equipped, designed or used as a living quarters.
4. **"Motor Vehicle"**—means a land **motor vehicle** or trailer other than:
 - a) a vehicle or other equipment designed for use principally off public roads, while not upon public roads,
 - b) a vehicle operated on rails or crawler-treads, or
 - c) a vehicle when used primarily as a residence or premises.
5. **"Resident"**—means a person who physically resides in **your** household with the intention of continuing residence there. **Your** unmarried dependent children while temporarily away from home will be considered residents if they intend to resume residing in **your** household.
6. **"You" or "Your"**—means the policyholder named on the declarations page and that policyholder's **resident** spouse.

Exclusions—What Is Not Covered

This coverage does not apply to **bodily injury** to:

1. **you** or a **resident** relative while in, on, getting into or out of a **motor home you** or a **resident** relative own but do not insure for this coverage.
2. **you** or a **resident** relative while in, on, getting into or out of, or struck as a pedestrian by:
 - a) a vehicle operated on rails or crawler-treads, or
 - b) a vehicle or other equipment designed for use off public roads, while not on public roads.
3. any person while in, on, getting into or out of:
 - a) an owned **motor home** while available for hire to the public. This exclusion does not apply to shared expense car pools.
 - b) a **motor home** or trailer while used as a permanent or primary residence or premises.
 - c) a **motor vehicle** with less than four wheels.

4. any person, other than **you** or a **resident** relative, while using a non-owned **motor home**:
 - a) which is available for hire by the public, or
 - b) in business operations such as repairing, servicing, testing, washing, parking, storing, or selling of **motor homes** or other vehicles.

Coverage is provided for **you, your** private chauffeur or domestic servant while using a **motor home** or trailer in any other business or occupation.

5. any person resulting from any act of war, insurrection, rebellion, or revolution.
6. any person arising out of any prearranged or organized racing or speed contest or in practice or preparation for any contest of this type.
7. any person or organization other than **you** while **your motor home** is rented, leased, or loaned for a charge to such person or organization. This exclusion does not apply if an additional premium has been paid to cover the rental of **your motor home** to others.

Limits Of Liability

The limit shown on the declarations page is the maximum **we** will pay for all expenses incurred by or for each person as the result of any one **motor home** accident.

The medical payments limit applies to each insured **motor home** as shown on the declarations page. The insuring of more than one person or **motor home** under this policy won't increase **our** limit beyond the amount shown for any one **motor home**, even though a separate premium is charged for each **motor home**. The limit also won't be increased if **you** have other **motor home** insurance policies that apply.

If the insured person dies as the result of a covered **motor home** accident, **we** will pay the least of the following as a funeral service expenses benefit:

1. \$2,000; or
2. the Coverage CC limit of liability stated on the declarations page; or
3. the remaining portion of the Coverage CC limit of liability not expended for other covered medical expenses.

This funeral service expenses benefit does not increase, and will not be paid in addition to, the limits of liability stated on the declarations page for Coverage CC. This benefit is

payable to the deceased insured person's spouse if a **resident** of the same household at the time of the accident. However, if the deceased is a minor, the benefit is payable to either parent if that parent is a **resident** of the same household at the time of the accident. In all other cases, the benefit is payable to the deceased insured person's estate.

There will be no duplication of payments made under the Bodily Injury Liability and Medical Payments coverages of this policy. All payments made to or on behalf of any person under this coverage will be considered as advance payments to that person. The damages payable under the Bodily Injury Liability coverage of this policy will be reduced by that amount.

Unreasonable Or Unnecessary Medical Expenses

If the insured person incurs medical expenses which are unreasonable or unnecessary, **we** may refuse to pay for those medical expenses and contest them. Unreasonable medical expenses are fees for medical services which are substantially higher than the usual and customary charges for those services. Unnecessary medical expenses are fees for medical services which are not usually and customarily performed for treatment of the injury, including fees for an excessive number, amount, or duration of medical services.

If the insured person is sued by a medical services provider because **we** refuse to pay contested medical expenses, **we** will pay all defense costs and any resulting judgment against the insured person. **We** will choose the counsel. The insured person must cooperate with **us** in the defense of any claim or lawsuit. If **we** ask the insured person to attend hearings or trials, **we** will pay up to \$50 per day for loss of wages or salary. **We** will also pay other reasonable expenses incurred at **our** request.

If There Is Other Insurance

If a loss covered by this protection involves a substitute **motor home** or non-owned **motor home**, **our** Medical Payments coverage will be excess over other collectible insurance.

When this coverage applies to a replacement **motor home** or additional **motor home**, this policy will not apply if **you** have other collectible motor vehicle medical insurance.

Assistance And Cooperation

At **our** request, an insured person will:

- a) cooperate with **us** and assist **us** in any matter concerning a claim or suit;

- b) help **us** enforce any right of recovery against any person or organization who may be liable to an insured person;
- c) attend any hearing or trial;

Upon such demand, each party must select a competent and impartial appraiser and notify the other of the appraiser's identity within 20 days after the demand is received. The appraisers will select a competent and impartial umpire. If the appraisers are unable to agree upon an umpire within 15 days, **you** or **we** can ask a judge of a court of record in the state where the insured **motor home** is registered to select an umpire.

The appraisers shall then determine the amount of loss, stating separately the actual cash value and amount of loss to each item. If the appraisers submit a written report of an agreement to **you** and to **us**, the amount agreed upon shall be the amount of loss. If they cannot agree, they will submit their differences to the umpire. A written award agreed upon by the appraisers or an appraiser and the umpire will determine the amount of loss.

Payment Of Loss By Allstate

Allstate may pay for the loss in money, or may repair or replace the damaged or stolen property. **We** may, at any time before the loss is paid or the property is replaced, return at **our** own expense any stolen property, either to **you** or at **our** option to the address shown on the declarations page, with payment for any resulting damage. **We** may take all or part of the property at the agreed or appraised value. **We** may settle any claim or loss either with **you** or the owner of the property.

Limits Of Liability

Allstate's limit of liability is the actual cash value of the property or damaged part of the property at the time of loss. The actual cash value will be reduced by the deductible for each coverage as shown on the declarations page. However, **our** liability will not exceed what it would cost to repair

or replace the property or part with other of like kind and quality.

A **motor home** and attached trailer are considered separate **motor homes**, and **you** must pay the deductible, if any, on each.

If There Is Other Insurance

If there is other insurance covering the loss at the time of the accident, **we** will pay only **our** share of any damages. **Our** share is determined by adding the limits of this insurance to the limits of all other insurance that applies on the same basis and finding the percentage of the total that **our** limits represents.

When this insurance covers a substitute **motor home** or non-owned **motor home**, **we** will pay only after all other collectible insurance has been exhausted.

When this insurance covers a replacement **motor home** or additional **motor home**, this policy won't apply if **you** have other collectible insurance.

When more than one coverage is applicable to the loss, **you** may recover under the broadest coverage but not both. However, Coverage HC, if purchased, will provide coverage in excess of the limit for loss to **sound systems** provided under Coverage HH.

Action Against Allstate

No one may sue **us** under this coverage unless there is full compliance with all the policy terms.

Subrogation Rights

When **we** pay, **your** rights of recovery from anyone else become **ours** up to the amount **we** have paid. **You** must protect these rights and help **us** enforce them.

Loss Payable Clause

If a lienholder is shown in the Policy Declarations for a particular insured vehicle, **we** may pay a covered loss under the physical damage coverages of this policy to the lienholder as the lienholder's interest may appear. The lienholder's interest will not be voided by:

1. Any act or neglect of the owner of the insured vehicle; or
2. Any change in title or ownership of the insured vehicle if the lienholder notifies us within 10 days.

If **you** do not pay the premium when due, the lienholder must, at **our** request, pay the premium; otherwise **we** may cancel this policy.

The lienholder must notify **us** of any known increase in hazard. The lienholder must pay, at **our** request, the premium for any increase in hazard; otherwise this policy will be void.

We may cancel this policy according to its terms. Cancellation is also effective with respect to the lienholder's interest. **We** will notify the lienholder of **our** intent to cancel this Loss Payable Clause. In these events, **we** will provide at least 10 days notice to the lienholder. Proof of **our** mailing of notice will be proof of notice.

If **you** do not submit proof of loss within the time specified in the policy, the lienholder must do so within 60 days. Proof of loss must be submitted in the form and manner specified in the provision entitled **What You Must Do If There Is A Loss**. The lienholder will be subject to policy provisions relating to appraisal, time of payment, and bringing suit.

When **we** make payment to the lienholder for loss under this policy or for loss for which **you** are not covered **we** will be subrogated to the rights of the party **we** pay to the extent of **our** payment. **We** have the option to pay the lienholder the entire amount due or which will become due on the mortgage or other security agreement and receive full assignment and transfer of the mortgage or security agreement. **Our** right to subrogation will not impair the lienholder's right to recover the full amount of its claim.

What You Must Do If There Is A Loss

1. As soon as possible, any person making claim must give **us** written proof of loss. It must include all details reasonably required by **us**. **We** have the right to inspect the damaged property. **We** may require any person making claim to file with **us** a sworn proof of loss. **We** may also require that person to submit to examinations under oath.
2. Protect the **motor home** from further loss. **We** will pay reasonable expenses to guard against further loss. If **you** don't protect the **motor home**, further loss is not covered.
3. Report all theft losses promptly to the police.
