Filing Description:

RE: Withdrawal of Individual Medicare Supplement Plans A, C, D, F, G and N.
Policy Forms A19MSAMOR, A19MSCMOR, A19MSDMOR, A19MSFMOR, A19MSGMOR and A19MSNMOR.

We would like to take this opportunity to inform your department that we will be discontinuing any further solicitations of Individual Medicare Supplement Policy Forms A19MSAMOR, A19MSCMOR, A19MSDMOR, A19MSFMOR, A19MSGMOR and A19MSNMOR effective October 16, 2013. We understand that our discontinuance of these plans will prohibit Aflac from filing a new policy form of the same type for a period of five years, unless the Commissioner determines that a shorter period is appropriate.

With the withdrawal of Plans A, C, D, F, G and N, Aflac will not have a plan available to the individual market.

Aflac will continue to support our existing block of Individual Medicare Supplement policies in accordance with appropriate state laws.

State Specific

If your policy forms contain variable TEXT (brackets or other means denoting variation), please indicate the total number of policy form variations that your company intends to generate, based on the variable TEXT. (This EXCLUDES sales projections, and any variable dollar amounts.) Please review DIFP Filing Guidelines at <http://insurance.mo.gov/industry/filings/lh/index.php> for additional guidance regarding the use of variable text in policy form filings. If there is no variable text in your policy form(s), please indicate "no variable text". DIFP will accept the following responses to this question: a digit; the phrase "no variable text"; the phrase "n/a" if the filing is rates, reports, advertising, or Medicare supplement forms. Please do not put an explanation of variability in this field. Please attach that separately in an explanation of variability under the "Supporting Documentation" tab. Please call the L&H Manager at 573-526-0672 with any questions.: no variable text
