Dear Sir or Madam:

This letter is being sent pursuant to NEB. REV. STAT. § 44-787(1)(c), and is notice of Blue Cross and Blue Shield of Nebraska's (BCBSNE) intent to discontinue certain individual policies, and certain coverage plans for Nebraska Farm Bureau Federation members. Because the Nebraska Farm Bureau Federation is an association plan not sold in connection with an employer group health plan, it falls within Nebraska's guarantee renewability requirements applicable to individual policies. Cancellation of these policies/coverages is effective December 31, 2013.

BCBSNE is cancelling these policies/coverages because they do not comply with the Affordable Care Act (ACA), and pursuant to Nebraska Department of Insurance Bulletin CB-130 issued March 21, 2013, BCBSNE is required to cancel non-ACA complaint individual policies/coverages and cannot amend by rider/endorsement.

We have identified one or more individuals in your state who are currently covered by one of the affected policies. Attempts will be made to verify Nebraska residency, and if Nebraska residency cannot be established, written notice of cancellation will be provided to the affected subscriber at least 90 days prior to cancellation. Because this subscriber no longer resides in Nebraska, we are not able to offer alternate coverage.

Notice was previously provided to the Nebraska Department of Insurance as required by Nebraska state law.

Thank you for your attention. Please contact me with any questions.

Sincerely,

Gretchen Twohig
