BULLETIN 85-02

TO: ALL WRITERS REPORTING PRIVATE PASSENGER AUTOMOBILE INSURANCE
IN THIS STATE BY ZIP CODE

FROM: C. DONALD AINSWORTH, DIRECTOR *CD*

SUBJECT: REQUIRED REPORTING OF STATISTICAL DATA BY ZIPCODE
PER 374.450 RSMo. 1980

DATE: FEBRUARY 21, 1984

RESCINDED AND INOPERATIVE

Your company is ~~now reporting data to us quarterly~~ on exposures earned. You are hereby notified to commence reporting on an annual basis for the calendar year 1985. This will be due in our office on March 1, 1986. The basis for reporting and format remain as you are now doing quarterly, except you will report car years earned instead of car quarters earned. The annual reporting required above is in lieu of the quarterly, which will cease in the first quarter of 1985.

In addition, for Phase III, loss data for comprehensive and collision coverages must be reported for the zip code of the principal place of garaging for each year by March 1 of the following year by magnetic tape to the Missouri Division of Insurance, Harry S. Truman State Office Building, Floor 6A, Jefferson City, Missouri 65102-0690. Exempted from this requirement are those writers who are members of a group of insurers writing collectively less than five hundred car years earned in this state.

If you have any questions, feel free to contact W. Bradford Connor or Janet Horton at 314-751-0794.
