RE: Second Injury Fund

DATE: September 19, 1989

The purpose of this bulletin is to clarify statements contained in Bulletin No. 89-09, issued ~~on July 28, 1989.~~

RESCINDED AND INOPERATIVE

In Bulletin No. 89-09, insurers were instructed to "return the 2.8% of final premiums charged between January 1, 1989 through June 30, 1989 to those policyholders since they have appropriately been charged the 3% surcharge since January 1, 1989, pursuant to House Bill 1244 " (emphasis added). Since those workers' compensation rates which were in effect prior to July 1, 1989 will be charged throughout the term of any policy which became effective between January 1, 1989 through June 30, 1989, then the return of 2.8% should apply to the final premium for the entire term of the policy.

If you have any questions regarding this bulletin, please direct them to Mark Rehagen, Supervisor of the Property and Casualty Section, or Barbara Duncan, Compliance Technician, at 314/751-3365.
