RE: Workers Compensation Policies

DATE: July 31, 1992

The Missouri Department is anticipating a rate change for workers compensation insurance, to be effective on September 1, 1992, for new and renewal policies thereafter.

RESCINDED AND INOPERATIVE

All renewal quotations and policies issued to be effective on September 1, 1992 and thereafter, must be properly endorsed with the Pending Rate Change Endorsement - WC 00 04 04 or an appropriate typewritten entry may be made on the Information Page, until such time as renewal quotations and policies are issued with the revised September 1, 1992 rates.

Proper application of these procedures will be an item of concern on any subsequent market conduct examination conducted by this Department.
