

Hospital Listing for Network Access Plans (listed by County)

Notes:

- Long Term Acute Care Hospitals, Psychiatric Hospitals, Rehabilitation Hospitals, and Veterans Hospitals are not included in this listing; they do not meet the criteria for "Basic" Hospitals given at 20 CSR 400-7.095.
- Children's Hospitals are not included in the category of "Basic Hospital" because per 20 CSR 400-7.095, "...children's hospitals shall not be included in the calculation of the basic hospital enrollee access rate."

Please note the following updates to this listing:

- Audrain county: the hospital in Mexico (Noble Health Audrain Community Hospital) is closed.
- Boone county: the University of Missouri Health Care system has moved children's services from Women's Hospital (formerly Women's and Children's Hospital) to the main facility at 1 Hospital Dr in Columbia.
- Callaway county: the Hospital in Fulton, MO (Noble Health Callaway Community Hospital) is closed.
- See also the additions and deletions explained on the last page of this document.
