**Assumed Reinsurance**

**Ceded Reinsurance**

The Company cedes business to Grinnell Mutual Reinsurance Company (the reinsurer) through a reinsurance agreement that provides aggregate excess of loss coverage. Under the aggregate excess of loss agreement, the reinsurer covers 100% of the Company's losses that exceed \$320,000 in ultimate net losses. This agreement also includes an addendum that cedes 100% of the Company's earthquake losses to the reinsurer.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that an assuming reinsurer fails to perform its obligations under the reinsurance contract.

**ACCOUNTS AND RECORDS**

The accounting records are maintained on a modified cash basis. Grinnell Mutual Accounting and Tax Services performs an annual compilation of the Company's financial statements, prepares the annual statement, and completes its annual tax filings.

**FINANCIAL STATEMENTS**

The following financial statements are based on the statutory financial statements filed by the Company with the Department and present the financial condition of Clark Mutual Insurance Company for the period ending December 31, 2024. The accompanying comments on financial statements reflect any examination adjustments to the amounts reported in the financial statements and should be considered an integral part of the financial statements. The failure of any column of numbers to add to its respective total is due to rounding or truncation.

There may have been additional differences found in the course of this examination, which are not shown in the "Comments on Financial Statement Items." These differences were determined to be immaterial concerning their effect on the financial statements, and therefore were only communicated to the Company and noted in the workpapers for each individual key activity.
