Director Nelson:

In accordance with your financial examination warrant, a full-scope financial examination has been made of the records, affairs, and financial condition of

BOEUF & BERGER MUTUAL INSURANCE COMPANY

hereinafter referred to as such or as the Company. Its administrative office is located at 545 Harold H. Meyer Drive, New Haven, Missouri 63068, telephone number (573)237-3476. The fieldwork for this examination began on December 29, 2025, and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The Missouri Department of Commerce and Insurance (Department) has performed a single-state financial examination of Boeuf & Berger Mutual Insurance Company. The last examination of the Company by the Department covered the period of January 1, 2015, through December 31, 2019. The current examination covers the period of January 1, 2020, through December 31, 2024, as well as a review of any material transactions and events occurring subsequent to the examination period through the date of this report.

Procedures

We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook (Handbook)*, except where practices, procedures, and applicable regulations of the Department or statutes of the state of Missouri prevailed. The *Handbook* requires that we plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes the identification and evaluation of significant risks that could cause the Company's surplus to be materially misstated, both on a current and prospective basis.

This examination report includes significant findings of fact and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but are separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

There were no adverse findings, significant non-compliance issues, or material changes to the financial statements during the examination.

Assumed Reinsurance

MAMIC Mutual Insurance Company (MAMIC) issues direct policies to insure agents' errors and omissions liability and directors' and officers' liability risks for various mutual insurance companies. The policy risks insured by MAMIC for these products are pooled and ceded to participating mutual insurance companies. The Company has a 3% share in the interests and liabilities of the pool.

Ceded Reinsurance

The Company has all of its reinsurance through agreements that are brokered by Guy Carpenter and assumed by one or more reinsurers (reinsurer) at varying participation percentages.

The multiple line excess of loss contract covers both property and casualty risks. Under the property provisions, the Company retains \$100,000 per loss, and the reinsurer's limits are \$900,000 per loss and \$1,800,000 per occurrence. Under the casualty provisions, the Company retains \$50,000 per loss occurrence and the reinsurer's limit is \$950,000 per loss occurrence. The Company also has property facultative coverages and casualty clash coverages for risks in excess of \$1 million.

The aggregate excess of loss contract also covers both property and casualty risks. The reinsurer is liable for the Company's ultimate net losses in excess of 72.50% of gross net earned premium, limited to 295.50% of gross net earned premium..

The umbrella reinsurance contract covers personal, farm liability risks. Under the agreement, the Company cedes 95% of the first \$1 million in losses and 100% of the second \$1 million in losses, and receives a 31% ceding commission

All reinsurers participating in the above-noted coverages in 2024 maintained A.M. Best financial strength ratings of "A-" or better.

The Company has equipment breakdown coverage with Factory Mutual Reinsurance Company. Under the agreement, the Company cedes 100% of premiums and losses to the reinsurer and receives a 35% ceding commission. Cessions are limited to \$50,000 on any one homeowner risk and \$5,000,000 on any one commercial or farm owner risk.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that an assuming reinsurer fails to perform its obligations under the reinsurance contract.

ACCOUNTS AND RECORDS

The accounting records are maintained on an accrual basis. The CPA firm of Cain Ellsworth & Company, LLP performs an annual compilation of the Company's financial statements, prepares the annual statement, and completes its annual tax filings.

FINANCIAL STATEMENTS

The following financial statements are based on the statutory financial statements filed by the Company with the Department and present the financial condition of Boeuf & Berger Mutual Insurance Company for the period ending December 31, 2024. The accompanying comments on financial statements reflect any examination adjustments to the amounts reported in the financial statements and should be considered an integral part of the financial statements. The failure of any column of numbers to add to its respective total is due to rounding or truncation.
