Pursuant to sections 287.310.9 and 287.717 workers' compensation policies with deductible options shall have a surcharge placed upon the policyholder of such policy on the deductible credit portion of the policy. **NOTE: The deductible credit portion of the policy is the "difference" between the premium that would be generated for a standard, guaranteed cost policy where no deductible option is offered and the premium that is actually generated when the deductible credit is applied to the policy.** The insurance company writing the workers' compensation policy with the deductible option shall collect the surcharge from the policyholder at the time of premium collection and shall remit the surcharge amount to the Department of Revenue.
