RE: No-Action Letter Request

Dear Director Lindley-Myers:

Electric Insurance Company (Electric™) respectfully submits this request for a No-Action Letter pursuant to Section 374.018, R.S.Mo. Specifically, Electric requests from the Department a waiver of the application of the recent revisions to 20 CSR 500-1.100. Electric is in the process of withdrawing all line of business in the state, which is the reason set forth on the non-renewal notices. In addition, Electric will have no more effective policies after the end of 2024. It would be unduly burdensome and financially not sound to be required to make the recent revisions set forth in the DCI Bulletin 24-05. Therefore, Electric requests that the Department issue a No-Action letter consistent with the request set forth above.
