RETALIATORY COMPARISON (375.916 RSMo)

The retaliatory portion of the Missouri tax return compares the aggregate burden which would be placed upon your company by the State of Missouri to the aggregate burden which would be placed by your state of incorporation upon a hypothetical Missouri company writing the same amount of premium that your company is writing in Missouri.

The Agent information on line 4 should agree with your company's Insurance Producers Report form, which was due on or before February 10, 2026. Please show the fees charged by your state of incorporation for appointments, terminations and renewals. Additional lines are provided if different rates are charged for resident and non-resident agents.

Please include in the State of Incorporation column ALL taxes, fees, and assessments which a Missouri company operating in your state of incorporation would have been subject to during the 2025 calendar year. Include with the return a copy of the assessments, invoices, or tax documents along with the calculations based off of your Missouri premium amount.

The Annual Renewal Fee for 2025 was due July 1, 2025. The annual renewal fee for Foreign Property & Casualty Companies, and also Foreign Title Companies is \$2,000. The annual renewal fee for Foreign Risk Retention Groups is \$100. Show these amounts on the State of Missouri column, line 1.

WORKERS' COMPENSATION ADMINISTRATIVE SURCHARGE (287.717.3 RSMo)

Pursuant to Section 287.717.3 RSMo, you are required to report the amount of premium that would have been paid for the deductible credit portion of the workers' compensation policies with deductible options. **NOTE: The deductible credit portion of the policy is the "difference" between the premium that would be generated for a standard, guaranteed cost policy where no deductible option is offered and the premium that is actually generated when the deductible credit is applied to the policy.** The total of Lines 2a, 3a, and 4a must agree with the amount actually reported on Line 1. A detailed listing is required for the amount on line 2a showing the years of Audited and/or Additional Premium (including Retrospective Adjustments) Collected with 2023 and Prior Effective, Renewal, or Anniversary Dates.

You will need to submit any/all algorithm(s) you are using for premium calculation, unless you are using the approved algorithm filed by the NCCI.

A link to the 2026 Quarterly Administrative Surcharge Report Form was included in the Annual Premium Tax Filing Instructions email that was sent in January. You will need to make copies of this form to submit to the Missouri Department of Revenue with your payment of any estimated quarterly administrative surcharge installments for 2026. The estimated quarterly installments are due to the Missouri Department of Revenue by March 1, June 1, September 1, and December 1. Please circle the appropriate reporting period on the form. You may obtain a copy of this form on our website at www.insurance.mo.gov; see Companies/Forms/Tax.

The Balance Due will need to be submitted by June 1, 2026, to the Missouri Department of Revenue along with a copy of the Notice of Workers' Compensation Administrative Surcharge Balance Due/Overpayment form. CREDITS FOR GUARANTY ASSOCIATION ASSESSMENTS (375.774.3 RSMo)

Credits for Missouri Property and Casualty Insurance Guaranty Association assessments begin the year after the year of payment. Credits are 33 1/3% for three years.

Copies of your Certificates of Contribution from the guaranty association must be included for each assessment. Please list credit under appropriate year and type; do not combine amounts.

The Missouri Property and Casualty Insurance Guaranty Association assessed member insurers of the workers' compensation insurance account on December 15, 2023. Because of the timing of the assessment, some insurers paid the assessment in calendar year 2023 while others paid in calendar year 2024. The timing of the payment of the assessment determines the "year of contribution" described in section 375.774.3, RSMo. Only those insurers that paid the assessment in calendar year 2023 may claim a credit under '2023 WORK. COMP.' below.

Please complete the following information to support the credit amount shown on Page 2, line 5 for premium tax credit.

Section 148.390 RSMo, allows health benefits paid “for the benefit of some or all of the employees of one or more employers or for the benefit of the members of a union or unions, whether or not such benefits are payable through a trustee” to be deducted from the gross amount of premiums received on those policies. This deduction does not include all group business. Only lines 1, 2 and 3 above will be considered for benefit deductions.

- 1) Employer groups - the master policy is issued to the employer and the coverage extends to employees of that employer or employees of recognized subsidiaries of the employer.
- 2) Union groups - the master policy is issued to the Union Board of Directors or a designated trustee. Coverage extends to dues-paying members of the trade or labor union.
- 3) Multiple Employers Trusts - the group exists under a trust agreement. The trustee holds the master policy and certificates of coverage are issued to employees of small employers. Usually the employer will be a business with five (5) or less employees. Such trusts may have numerous small businesses participating in the insurance plan.
- 4) Association groups - this group consists of dues paying members of a recognized association. The association has by-laws and exists for reasons other than obtaining insurance.
- 5) Fictitious group trusts - this group has no real nexus and is used only for the purpose of obtaining or distributing insurance. The master policy is issued to a trustee pursuant to a contract with the underwriting insurer. Certificates are then issued to any individual who applies to the trust for insurance.
- 6) Blanket groups - a blanket policy is issued to a single policyholder. The policy insures all individuals meeting the eligibility requirements set out in the policy. The insurer may not receive a name list of insureds. The group consists only of the class subject to the hazard insured against in the policy (i.e. student accident, sports teams, scout troops).

Not all policies reported on line 13 of the annual statement Missouri page 19 have benefits paid that are eligible under section 148.390 RSMo. Only benefits payments “on policies or contracts providing health insurance benefits for the benefit of some or all of the employees of one or more employers or for the benefit of the members of a union or unions” are eligible for section 148.390 credit. For example, benefits paid under credit disability and disability income (benefit payments are not health insurance benefits) are not eligible for section 148.390 credit.

A COPY OF YOUR SUPPLEMENT TO MO PAGE 19 MUST BE ATTACHED IN ORDER TO ALLOW THIS DEDUCTION.
