Order Suspending Certificate of Authority

The record in this matter shows: (1) The Insurance Company Regulation Division has filed a statement of charges seeking suspension of the certificate of authority of Imperial Casualty and Indemnity Insurance Company ("the company"); and (2) the company has not requested a hearing within thirty (30) days of service of the notice of institution of case and statement of charges.

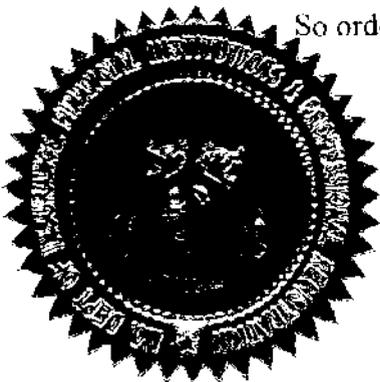

Based upon this record and pursuant to section 375.881, RSMo, the certificate of authority of Imperial Casualty and Indemnity Insurance Company is hereby **SUSPENDED** until further order of the Director of the Missouri Department of Insurance, Financial Institutions and Professional Registration. The company remains subject to the rights, duties, privileges and obligations of its certificate of authority, but may transact no third party administration business in the state of Missouri, other than renewal of guaranteed renewable or non-cancelable insurance business. Guaranteed renewable insurance business includes renewals already committed to by the company as well as policies which cannot be non-renewed because there is insufficient time to do so pursuant to the Missouri non-renewal statutes and regulations.

Suspension recommended by the Hearing Officer this 25th day of May, 2010.

Elfin L. Noce, Hearing Officer

I accept the hearing officer's recommended order.

So ordered, signed and official seal affixed this 27th day of MAY 2010.
