Honorable John M. Huff, Director
Missouri Department of Insurance, Financial
Institutions and Professional Registration
301 West High Street, Room 530
Jefferson City, Missouri 65101

Director Huff:

In accordance with your financial examination warrant, a comprehensive financial examination has been made of the records, affairs and financial condition of

Reinsurance Company of Missouri, Inc.

hereinafter referred to as such or as "RCM" or as the "Company." The Company's main administrative office is located at 1370 Timberlake Manor Parkway, Chesterfield, MO 63017-6039, telephone number (636) 736-7000. This examination began on March 4, 2013 and concluded on the above date.

SCOPE OF EXAMINATION

Period Covered

The last examination was completed as of December 31, 2008. This examination covers the period of January 1, 2009 through December 31, 2012. This examination also included material transactions or events occurring subsequent to December 31, 2012.

Procedures

We conducted our examination in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook, except where practices, procedures and applicable regulations of the Department of Insurance, Financial Institutions and Professional Registration (DIFP) or statutes of the state of Missouri prevailed. The Handbook requires that we plan and perform the examination to evaluate the financial condition and identify prospective risks of the Company by obtaining information about the Company including corporate governance, identifying and assessing inherent risks within the Company, and evaluating systems controls and procedures used to mitigate those risks. An examination also includes assessing the principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation, management's compliance with Statutory Accounting Principles and Annual Statement Instructions when applicable to domestic state regulations.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process.

The examiners relied upon information and workpapers provided by the Company's independent auditor, Deloitte, for its audit covering the period from January 1, 2012, through December 31,

2012. Such reliance included fraud risk analysis, internal control narratives and tests of internal controls.

SUMMARY OF SIGNIFICANT FINDINGS

Common stock and consequently unassigned surplus were decreased by \$182,130,000 as a result of an examination adjustment made to the Company's subsidiary, RGA Reinsurance Company (RGA Re). The value of RGA Re makes up the entirety of the common stock value of RCM.

SUBSEQUENT EVENTS

The adjustment to the December 31, 2012, Annual Statement noted above in Summary of Significant Findings is a result of Reinsurance Group of America Inc.'s 2013 studies of its group business in Australia. Due to identified deterioration of the business RGA Re strengthened its reserves in the second quarter of 2013. The DIFP determined that although the studies identifying the deterioration of the business were performed in 2013, the situation also existed at year end 2012. The DIFP requested that RGA Re determine what the adjustments to its liabilities would have been at December 31, 2012, had the results of the study been available at that time. The DIFP consulting actuary reviewed the Company's reserve analysis, and determined the adjustments were reasonable.

No other material subsequent events were noted.

Blended excess policies provide additional layers of coverage up to a maximum aggregate limit of liability of \$50,000,000. This coverage exceeds the minimum amount of fidelity insurance suggested by the NAIC.

RGA, Inc. is also a named insured on policies that provide the following coverage: Professional Liability, Directors & Officers Liability, Employment Practices Liability, Cyber Liability, General Liability, Auto Liability, and Workers' Compensation. The level of insurance coverage appears reasonable.

PENSIONS, STOCK OWNERSHIP AND INSURANCE PLANS

and vision, life, accidental death and dismemberment, long-term disability, flexible spending accounts, paid time off, holidays, tuition reimbursement, and a bonus plan. Additionally, life insurance and medical and dental coverage are available for retirees.

RGA Reinsurance Company also sponsors tax-qualified pension and savings plans for its employees, as well as non-qualified “parity” pension and savings plans for its employees whose benefits under the tax-qualified plans are limited by Internal Revenue Service Code.

Benefit expenses are allocated to the Company quarterly pursuant to the administrative services agreement with RGA Reinsurance Company.

TERRITORY AND PLAN OF OPERATION

The Company is licensed only in Missouri. The Company is licensed under Chapter 376 RSMo (Life, Health and Accident Insurance) to write life, accident and health insurance and annuities.

RCM initially reinsured a block of business from its subsidiary RGA Reinsurance Company, to qualify itself as a life insurance company for income tax purposes. The Company has since entered into a small number of ordinary life reinsurance agreements with RGA Reinsurance Company and with non-affiliated insurance companies.

GROWTH OF COMPANY

RCM primarily functions as an intermediate holding company for RGA Re and as such its growth is primarily dependent on RGA Re’s growth. RGA Re typically enters into numerous assumed and ceded reinsurance agreements each year making written premium an unreliable indicator of financial performance. RCM’s financial performance is tracked by monitoring its unassigned funds.

RCM’s unassigned funds went from (\$5.8) million as of the previous examination to \$206.7 million at December 31, 2012. Unassigned funds increased sharply during calendar year 2009 before decreasing slightly throughout the remainder of the examination period.

LOSS EXPERIENCE

The following exhibit reflects the annual underwriting results of the Company during the examination period. Amounts are in 000’s.

	2009	2010	2011	2012
Net Premium Income	\$ 73,818	\$ 47,525	\$ 93,101	\$ 83,565
Investment and Other Income	(4,397)	75,807	36,430	(6,272)
Total Benefits and Expenses	(93,589)	(83,576)	(94,290)	10,649
Taxes and Capital Gains	7,369	13,934	1,902	(29,393)
Net Income	<u>\$ (16,800)</u>	<u>\$ 53,690</u>	<u>\$ 37,142</u>	<u>\$ 58,549</u>

Net Premium Income and Total Benefits and Expenses experienced a sizable amount of volatility during the examination period. This is common in the reinsurance industry as operating results for a particular period reflect the agreements in place at that time. The Company reported a positive net income in three of the four years.

REINSURANCE

General

RCM was essentially formed as a holding company for the purpose of owning U. S. based regulated entities, and to facilitate tax planning strategies for the U. S. taxpayers of RGA, Inc.

The Company's written premium activity on a direct, assumed, and ceded basis for the period under examination is detailed below:

	2009	2010	2011	2012
Direct Business	\$ -	\$ -	\$ -	\$ -
Reinsurance Assumed	73,817,745	47,525,159	93,101,462	83,565,387
Reinsurance Ceded	-	-	-	-
Net Premiums Written	\$ 73,817,745	\$ 47,525,159	\$ 93,101,462	\$ 83,565,387

Assumed

At December 31, 2012, RCM assumed 93% of its business from a single treaty with RGA Re with the remainder of business being assumed from three non-affiliated companies. Assumed premiums have almost doubled since the prior examination to \$83.6 million as of year-end 2012. Yearly fluctuations in reinsurance assumed were largely due to treaties with RGA Re that were recaptured, novated, or terminated during the examination period.

Ceded

RCM is protected by a catastrophe policy which covers the RGA group of company's worldwide portfolio for events involving 10 or more insured deaths from a single occurrence and covers \$100 million of claims in excess of the Company's \$50 million deductible.

ACCOUNTS AND RECORDS

General

The Company's financial statements were prepared with PeopleSoft Financials which were re-implemented to permit a common chart of accounts across domestic and international operations. The majority of administration of the Company's reinsurance agreements (including the related premiums, claim payments, etc.) is performed on the General American Reinsurance (GARE) System.

Reserves and related actuarial items as of December 31, 2012, were reviewed and certified by James P. Ash, FSA, MAAA, Vice President Entity Actuary for Reinsurance Company of Missouri.

Independent Actuary

Pursuant to a contract with the DIFP, Timothy F. Harris, FSA, MAAA, Principal & Consulting Actuary, Milliman, Inc. reviewed the underlying actuarial assumptions and actuarial methods used in determining actuarial liabilities and related items.

Independent Auditor

The Company's financial statements for the period January 1, 2009 to December 31, 2012, were audited by Deloitte. The workpapers and reports of the independent audit were reviewed for this

examination. These workpapers and reports were used in the course of this examination as deemed appropriate.

Information Systems

In conjunction with this examination, Andrew Balas, AES, Information Systems Financial Examiner with the DIFP, conducted a review of the Company's information systems. His evaluation did not identify any significant weaknesses.

U.S. Treasury Notes	<u>\$ 700,000</u>	<u>\$ 767,837</u>	<u>\$ 659,784</u>

Other Special Deposits

In addition to the funds on deposit with the state of Missouri, RCM has another deposit, which is not for the benefit of all policyholders. This special deposit represents funds held by RCM to secure its obligations to a specific cedent pursuant to a reinsurance agreement.

<u>Beneficiary</u>	<u>Market Value</u>	<u>Statement Value</u>
Cedent	<u>\$ 19,118,358</u>	<u>\$ 16,684,293</u>
